Community Meal Center

Our club volunteers on the 2nd Thursday of each month to serve at CMC. Please let Anna Lathrop know if you can help, anna@gourmet-galley.com. We begin at 4pm and are done by 6:15pm. Your help is always appreciated.

Walk To End Homelessness

The New London Rotary is sponsoring the **WALK TO END HOMELESSNESS** on **April 28**. Our club is sponsoring a team of 5 walkers. Please contact Mary Lenzini to join the team and represent our club. The festivities start April 28 at noon on the Parade Plaza with the walk beginning at 1 PM.

The 17th Annual Walk to End Homelessness is not just a fundraising event but a powerful reminder that the battle against homelessness is ongoing. With the emergency shelter operating at maximum capacity, our support plays a vital role in addressing the guests' financial challenges and helping them find a way home. The New London Homeless Hospitality Center (NLHCC) isn't just an emergency shelter—it addresses homelessness from every angle by connecting people with services and federal programs, promoting job readiness, running a housing resource center, and even providing some permanent housing.

DONATION REQUEST

Approximately a year and a half ago, New London Rotary partnered with the Waterford Rotary Club (and other local non-profits) to build a wheelchair accessible ramp for the Rapollari family's daughter Maria. Thanks to our efforts and the generosity of Alex Marku (and the staff of A Beautiful Company), this ramp was built for the family.

Please click on the link below to read the article about the request for Maria by her mom Kayla Mullen (daughter of Jeff Mullen, New London businessman and New London community supporter). **The Rotary Club BOD is considering supporting this request but we also want to make each of our members aware of the ability to donate individually.**

Whatever the amount, your support is sure to make a difference in the life of this lovely family.

Rotary Sends Spring Greetings to New London Seniors

Cheery, brightly colored “Happy Spring” messages were sent in March to shut-in seniors in the city by New London Rotary. A faux tulip, a card and a foil-wrapped chocolate Easter egg were included in the packages. They were delivered, along with Meals on Wheels, by the Thames Valley Council for Community Action workers. It was the third goody package for

seniors sent by Rotarians. The first two were delivered in time for the Christmas holidays and Valentine’s Day.

Rotary Day of Service: Spring Cleanup at Homeless Shelter

This year’s Rotary Day of Service will help the New London Homeless Hospitality Center spruce up and clean up for spring. Rotarians are asked to bring gardening gloves, rakes and other garden tools to the shelter, 325 Huntington St., at 10 a.m., Saturday, May 1. Rotary volunteers, with the assistance of a master gardener connected to the shelter, will do some planting, raking and other light yard work. Rotary also will supply the shelter clients with a light breakfast of juice and muffins. Please plan to join us!

TOWN HALL REPORT APRIL 4, 2024

By Julia Kushigian-Secor

Report, International Service Committee

Julia Kushigian-Secor, Chair

Ongoing projects:

1)

Chikumbuso: The goal of the Chikumbuso project is to empower children, widows, single mothers and grandmothers whose lives have been decimated by the AIDS epidemic. HIV/AIDS

is the largest killer in Sub Saharan Africa and the lives of 1.2 million orphans living in Zambia have been affected. The aim of Chikumbuso is to raise the quality of life and change the face of those living in Ng'ombe compound in Lusaka by bringing hope. The Chikumbuso Women and Orphans Project is a community-based NGO that comprises five individual projects: the Orphan's School, Widow's Income Generation, Single Mother Training, Grandmother Outreach and Child Sponsorship.

Our Club's relationship began with a series of district club fundraisers in 2009 and includes ongoing support: Chikumbuso sponsored student; Contribution to

Stoningtons Rotary DMG's sustainable garden for self-sufficiency.

2) **The Eradication of Gender Violence**, Cuenca, Ecuador, María Paz Jara Alvarado, Director, Gender Studies, Universidad del Azuay, Cuenca, Ecuador. We are partnering with this program where I completed a

5-week project on the Eradication of Gender Violence for the Fulbright Specialist program in Cuenca and Quito, Ecuador (Universidad Pontífica; Universidad de Quito). Coinciding with the United Nations International Day for the Elimination of Violence Against Women (November 25) and the 16 following days of activism to mobilize and call attention to the urgent need to call attention to the violence against women and girls, I presented in over 21 events, 4 meetings, and Indigenous celebrations. Speaking to administrators, students, staff, faculty, NGOs, Rotarians and activists from varied disciplines of medicine, law, humanities, social and natural sciences, we discussed the myths that society creates around gender, feminism, human rights, social justice, conflict, climate change, violence, etc. The NLRC donation will aid in continuing the work of bringing about change in the perception of social roles gender, sexuality, race and ethnicities in Ecuador. It will support the basis for a new DMG for a project to prevent gender violence in the canton Valle of Cuenca, Ecuador.

3) **FAR (Fund for Armenian Relief)**, Yerevan, Armenia

Since 2000, the FAR Child Protection Center has provided a haven for at-risk children by performing crisis intervention, short-term rehabilitation and stabilization to victims of some of the most horrible predicaments, including abuse, abandonment and neglect. Our donation will help provide winter improvements for the home in Yerevan that houses a great influx of children from Artsakh (Nagorno-Karabagh), who have been abused and displaced in the war between Artsakh and Armenia. FAR transforms young lives through crisis intervention, critical short-term rehabilitation and stabilization to those who are victims of some of the most horrible predicaments including abuse, abandonment and neglect, and

behavioral, emotional and psychological problems of both Armenia and (Artsakh). We are partnering also on this with the Rotary Club of Yerevan that is also raising funds for the project.

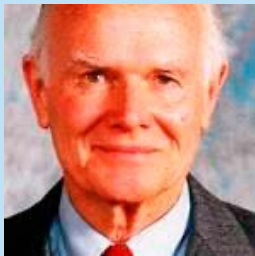

Report, Club Service Committee

Lee Cole-Chu, Chair

Lee reminded us of the importance of the work done by Rotary members that helps folks who are less fortunate. He advised us that the Fundraising Committee has been hard at work planning for their 2 big events, Brewfest (October 15) and the Golf Tournament (June 3, Great Neck Country Club) which generally raises between 15 and 20 thousand dollars for our projects. In addition, there will be a wine tasting dinner at the Lighthouse Inn. Sponsors and volunteers are needed for all events. The picnic in August will be at Rotarian Ted Rossi's lovely home by the beach. Our website has undergone major changes with Catherine Foley beginning the process and Gail MacDonald picking up the charge of the website changeover. The new format lists events and important information but Gail tells us that the site needs more content. Gail asks all Club members to help decide what content we would like to see there and how to make it internet friendly. The Nominating Committee headed by Ed Cramer completed its work in November and presented a slate of nominees for the Board to the Club, which was enthusiastically approved. The Rotary International Foundation has also been ably chaired by longstanding Rotarian Ed Cramer (53 years of service). Ed has offered informative and helpful presentations to the Club about contributions to RI through myRotary.org, explaining how that money is distributed to Clubs to support service to their communities and internationally. Ed encourages every member through myrotary.org to make donations to meet the Club's goal of 100% participation, offering updates periodically on how close we are getting to our goal. Given the huge success of last year's Yale-Harvard Regatta luncheon at the USCGA Consolidated Club, the event will be repeated there June 6, 2024, celebrating the Intercollegiate 147th rowing on the Thames River. The Coast Guard Academy is hoping the luncheon will become a tradition there as 120 community members attended (with many others turned away when maximum was reached). While we partner with other community service clubs as co-sponsors (Kiwanis and Lions), the financial assessment and volunteer coordination rests with the NLRC, so all are encouraged to volunteer to make the event successful. Lee reached out to the Governor's Office to invite state officials to this wonderful community celebration. Wrapping up this year's April and May events, Victoria will give a Club presentation on the NLRF budget, supported by the information distributed by Alan Lyons, treasurer, and John Bysko, Sargent at arms, at the meeting. This information gives transparency for what is happening in the NLRC and how much is available for future projects.

4)

Tom Wetmore International Prize 2024

THE TOM WETMORE INTERNATIONAL SERVICE COMMITTEE AWARD:

Given to a member of the
New London Rotary Club or

Community who best exemplifies Tom Wetmore's Service Above Self in the International arena. Tom Wetmore built powerful relationships bridging Rotary International Clubs and the New London Rotary Club. As a result of these relationships, Tom inspired many Rotarians to develop and implement projects that contributed to the advancement and well-being of children, adults and entire communities through international humanitarian matching grants in Colombia and Nicaragua. The recipient will be selected by the NLRC International Service committee and presented at the NLRC Installation Dinner or other similarly designated event *whenever* there is a deserving recipient.

COMMITTEE REPORT APRIL 4, 2024

By Lee Cole-Chu

The Fundraising Committee, chaired by Pres.-Elect Mel Foti, has been busy with our club's two annual fundraising events, the Golf Tournament and Brewfest, but also with several smaller programs such as the "Got Sneakers" campaign and a wine tasting dinner May 15 at Lighthouse Inn.

The Golf Tournament Committee, chaired by Past Pres. Alex Marku and Kate Lee, has been organizing the June 3 tournament at Great Neck Country Club in Waterford to raise \$15-\$20,000 for the N.L. Community Meal Center. The number of golfers is nearly at the maximum. The committee still seeks sponsors and donations for the golfers' raffle. All club members are urged to participate in this event.

The Brewfest Committee, chaired by Past Pres. Victoria Mueller and Keith Turner, is already hard at work preparing for the Sept. 13 Brewfest at Ocean Beach. Brewfest proceeds, from sponsorships and ticket sales, support the N.L. Public Library. Beverage offerings are expected to be more plentiful than usual, the donations from regional distributors being augmented by new spirits and craft beers from Connecticut-based companies. Members are urged not only to work the event but also to recruit sponsors.

The Picnic Committee, co-chaired by Pres. Val West and Ted Rossi, anticipates another successful event in August, thanks to Ted & Ruth Rossi's generosity and graciousness in hosting the picnic again.

The Website Committee, co-chaired by Gail MacDonald and Catherine Foley, has successfully completed a change in website software overseen by Catherine. Gail has become website manager: though she defers to the Club as to the site's evolving purpose and scope, Gail now edits and maintains our club's web "page," streamlining the site and keeping it updated as speakers and programs are scheduled. Gail reports that the site is not as easy to find on the web as she would like it to be, and she is working on that. Club members and officers can help 1) by providing post more stories and news via the "DACdb" software, automatically uploads them to the site; 2) by using DACdb more often; and simply by visiting the site more often: <https://www.newlondonrotary.org/>

The Nominating Committee, chaired by Past Pres. Ed Cramer, has done the main work for this year in preparing the slate of club officers elected last December for the 2024-2025 Rotary Year.

The Rotary International Foundation (RIF) Committee, also chaired by Ed Cramer, is more or less constantly in pursuit of 100% participation member by members in annual giving to RIF.

The Yale-Harvard Regatta Committee, chaired by Lee Cole-Chu, will, in cooperation with the New London Lions and Kiwanis clubs, produce the traditional luncheon celebrating the Regatta and its connection to our region and State on June 6 at the Coast Guard Academy.

The Bylaws Committee, also chaired by Lee, will report first to the Board of Directors and eventually to the members – someday, he promises.

The Public Relations committee of the New London Rotary Club is charged with amplifying the message of Rotary International and the good works of our local club as a means of public education about Rotary.

Thanks to the hard work of Gail MacDonald, Julia Kushigian Secor, and others, Rotary events and activities have been circulated on a regular basis to local publications like *The Day*.

As electronic media continues to increase as a means of public information, Sophia Gipstein Scirico has begun an effort of increased Rotary presence on platforms like Instagram.

The Anchor continues to be a mainstay of internal club and district information for members on a weekly basis. Professionally penned articles by Gail MacDonald (along with various guest authors), award-winning photographer Todd Gipstein's pictures of meetings and guest speakers, and the design expertise of Kirk Felton (Quality Printers graphic designer) combine to make *The Anchor* a model for Rotary Clubs throughout the district and beyond.

Other traditional advertising (billboards, lawn signs, pamphlets, etc) have also been deployed as we increase our support and sponsorship of community events to promote the Rotary image.
