A letter from your President

I can't believe how fast the first 5 months of my year have gone by. I have so enjoyed my time as President, and am looking forward to the next 7 months working with each one of you. Thanksgiving time has been a moment to reflect on the many things I have to be thankful for. For me, it is the special members of this club and the passion we have to support our community and our many projects. Most importantly it is the friendships we have established, the friendliness of our members and how we are here to support each other. Oh, and how fun we are too! I hope you have a wonderful

holiday season and I look forward to seeing you at the Christmas party, our two December meetings and hopefully playing Elf while wrapping presents.

Yours in Service,
Debbie

Heaters for Hygiene Center

As is almost always the case, when our wonderful members see a need, they find a way to help. In this case, Randy and Pat delivered three heaters to the Hygiene Center in Lynnwood after noticing how cold it was for the workers.

You two are the BEST!!

Website Committee

Committee members Debbie, Brenda and Maggie

Ever wonder why the website looks so good lately? Here's why!! This is your website committee at our monthly meeting ironing out any bugs and making sure your website is functioning at it's highest level.

Now I want to see YOUR committee at work. Committee Chairs - send me your photos so I can let the members know about the hard work you do for your club.

Art at Graphite
