## Presidents' Message

As we're in the dog days of summer many of you are traveling and spending time with family, and Rotary may be far from your mind. I understand, everyone needs down time and yours may be long overdue. Meanwhile the needs of our community continue whether we're aware of them or not. Now, especially as we experience the extreme heat, we should all keep in mind of our responsibility as Rotarians to work towards finding workable solutions to help our environment at the local, national, and international level. I encourage you to participate with our International Service (see below) and Environmental Committees as they present projects for our engagement. Personally I hope you'll

stay cool and check in with your neighbors and ensure they aren't suffering unduly.

There is no Rotary without you,

Liz

## Vocational Visits Resuming!

After being on hiatus due to the pandemic, the Vocational Committee is happy to announce the return of Vocational Site Visits this Fall! These are small group visits to fellow Rotarians places of business where you can learn more about the business and your fellow Rotarians. Each month we will visit a different business, learn about it, and enjoy some fellowship over lunch. We expect to get started in September and a sign-up sheet will be made available at upcoming meetings. There will be several day options to choose from and we will notify participants of dates before the end of August. We're seeking business volunteers to host and participants to attend. Hosting businesses will provide lunch. If you have any questions, you may email Tony Ramos at [aramosjr1164@gmail.com](mailto:aramosjr1164@gmail.com).

**Uganda Floods Immediate assistance needed!**

Update on our club's global Maternal and child health grant in the Tororo district of Uganda. Catastrophic flooding in Eastern Uganda and related mudslides are in the northeast part of Tororo district and very close to one of the four sub-counties of our grant and one of the medical clinics operated by the Rural Health Team (RHT). The RHT has provided or coordinated most activities of our global grant, and they have provided needed assistance to people affected by previous flooding in that area. The government of Uganda has limited resources for disaster recovery and it remains to be seen how they will respond to this situation. Larry Rhodes of Airport Rotary is organizing a fund raising campaign to support the RHT in providing needed food and medications to people affected by the floods. Donations may be sent to the Anthill Foundation at PO

Box 10206, Eugene, OR 97440. Please contact me with questions. Grant funding for this project will come to a close the end of September, and although delayed by the pandemic the grant's activities have been very successful. I will have the opportunity to provide you with details on this and the associated water project (repair of wells) at our club meeting on August 16.

**Eugene Rotary Golf Tournament - August 18th**

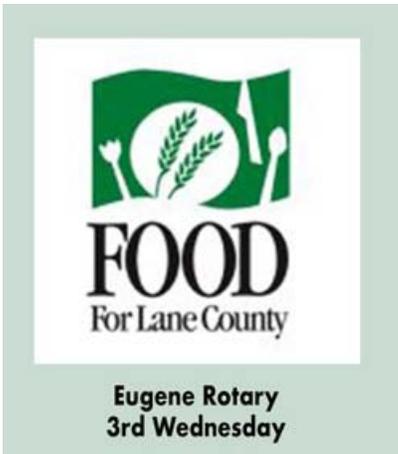

Thursday August 18th we'll be golfing at Oakway Golf Course from 3-5 pm, and all members and guests are welcome, skilled or newbies. This will be a scramble format which means each player in your foursome will hit a ball, and then all four of you will hit again from the best spot. There will be prizes for longest drive, closest to the pin, and longest putt. Cost is \$15 per person with an electric cart costing extra. This will be a shotgun start so we'll have the whole front nine to ourselves! The beverage cart will be making the rounds with drinks and snacks for purchase. Then we'll meet at the clubhouse at 5 pm for a casual happy hour with all golfers plus anyone else who wants to join us. There

are 36 spots available so if you are able to attend please contact Liz Ness at [beans1259@aol.com](mailto:beans1259@aol.com)

This is such good service. Eugene Rotary has been doing this for years. And is one of the supporters FFLC can depend on. It's both very elevating and very humbling. Roll up your sleeves and join in to support the community.
