Presidents' Message

As members of Rotary we have the opportunity to participate in the global grant process which enables us to support large international activities with sustainable high-impact outcomes that produce long-term rewards. In our area we partner with other clubs to increase these funds for even greater impact. This week our International Service Committee will fill us in on their Tororo project and how our global grant has helped address a serious problem in this community. They are currently working to overcome additional adversity due to severe weather and need us more than ever. Our

ability to reach around the globe at times of crisis is one of the reasons I'm so proud to be a Rotarian because I know, no matter what I see in the news, Rotarians somewhere are helping. I hope to see you all at our lunch meeting Tuesday to celebrate this project and learn what more we can do.

There is no Rotary without you

provided or coordinated most activities of our global grant, and they have provided needed assistance to people affected by previous flooding in that area. The government of Uganda has limited resources for disaster recovery and it remains to be seen how they will respond to this situation. Larry Rhodes of Airport Rotary is organizing a fund raising campaign to support the RHT in providing needed food and medications to people affected by the floods. Donations may be sent to the Anthill Foundation at PO Box 10206, Eugene, OR 97440. Please contact me with questions. Grant funding for this project will come to a close the end of September, and although delayed by the pandemic the grant's activities have been very successful. I will have the opportunity to provide you with details on this and the associated water project (repair of wells) at our club meeting on August 16.

Vocational Visits Resuming this Fall!

After being on hiatus due to the pandemic, the Vocational Committee is happy to announce the return of Vocational Site Visits this Fall! These are small group visits to fellow Rotarians places of business where you can learn more about the business and your fellow Rotarians. Each month we will visit a different business, learn about it, and enjoy some fellowship over lunch. We expect to get started in September and a sign-up sheet will be made available at upcoming meetings. There will be several day options to choose from and we will notify participants of dates before the end of August. We're seeking business volunteers to host and participants to attend. Hosting businesses will provide lunch. If you have any questions, you may email Tony Ramos at aramosjr1164@gmail.com.

**Eugene Rotary
3rd Wednesday**

This is such good service. Eugene Rotary has been doing this for years. And is one of the supporters FFLC can depend on. It's both very elevating and very humbling.
