Presidents' Message

Wrapping up this year, Ravitej and I thought it would be nice to recap some things from this year and look at what's ahead. This issue will show us how many new members we've added and highlight a couple new ideas to look forward to. I know you're all busy preparing for the holidays but I hope you'll take a moment to read below and appreciate what we have accomplished together.

I'm especially grateful for how many members are returning to our Tuesday lunches. We've been adding tables and yet each week find the

need to ask for one more as folks enter the room. This leads to the special camaraderie that makes Rotary so successful. If you know a Rotarian who has yet to rejoin us, please reach out to them and encourage their attendance.

Finally, we celebrate our wonderful DeLeesa Meashintubby's selection as Eugene First Citizen. She is such a pleasure to be around and is the embodiment of love and joy. I hope you can attend her celebration at The Graduate on January 24th and honor her!

Happy Holidays to you and your family!

Liz

The First Citizen Award is given annually to an individual who has made notable contributions to our community through business and community service efforts. The Eugene Area Chamber of Commerce has presented the award each year since 1938. A panel of former First Citizen

Community Service Message

Resolve to Serve in 2023

As we approach the new year, many of us are pondering resolutions and priorities for 2023. Your Rotary Community Service Committee is planning many ways to support our members' desire to put service above self in the new year. Below are some of the things you can look forward to in the first half of the year, with more details to follow. And, please remember that as a Rotarian you are invited to bring ideas and projects for community service. If it's an area where you have passion and energy, chances are that other Rotarians would also like to help—if you have a project idea and want to help create a Rotary Service Project please reach out and let us know.

Emerging Rotarian Program

In early 2022, the membership committee began a series of focus groups involving new Rotarians and prospective Rotarians. These discussions focused on discovering what barriers to membership existed for young professionals and others who may be looking for opportunities to serve the community and grow professional and personal connections.

The Emerging Rotarian Program (ERP) blossomed as a way to attract, retain, and grow a diverse Eugene Rotary community and offer a fellowship experience that supported our new and *new-at-heart* Rotarians. Our first Emerging Rotarian cohort launched in October of this year with structured programming, planned conversations, and a major service activity as deliverable.

\$4,000 Rotary Grant to North Eugene High School

The Rotary Club of Eugene (Club) has awarded a \$4,000 District Grant to the North Eugene High School (NEHS) sophomore Social Studies team! With this grant, all 2022-2023 sophomores at NEHS will be able to attend the annual NEHS Global Issues Conference (GIC) in March 2023 on the University of Oregon campus. Over the course of several months GIC participants will research issues facing the world including women's rights, climate change and nuclear proliferation. They will explore solutions to complex issues and develop nation-state positions on the issues. Their work will culminate in the day-long GIC at the UO where the issues will be debated, resulting in difficult negotiations leading to treaties designed to solve these issues. The Club is excited to provide NEHS sophomores with this opportunity to hone their leadership and collaboration skills at a University venue – providing the students with the opportunity to picture themselves studying and succeeding on a real college campus!
