Fellowship:**Volunteer Opportunities**

Rogue PowerPack Backpack Program: You will have an opportunity to volunteer with not only our club members but members from other area clubs.

ACCESS & Rogue Powerpack Program provides backpacks full of nutritious, child-friendly food to elementary school children who are receiving free breakfast or lunch at school during the week but are lacking adequate food at home over the weekend. Backpacks are filled every Friday from 9-11 to ensure they do not go hungry while away from school. There are also options to drive and deliver prepared sacks of food to different school routes. To SignUP on dates that work best for you, click this link:

New Member Applicants and Sponsor Responsibilities: The Membership Committee has revised the mentor program for new members. Instead of the committee assigning a mentor, the new member's sponsor will now be responsible for that role. Sponsor/mentor responsibilities will include assisting the new member with finding the right fit for two committee assignments, accompanying the new member to a fellowship event, and also sitting with the new member at two or more of our regular meetings in order to introduce them to fellow Rotarians. We hope that these changes will help to quickly integrate the new members into our club.
