smaller subcommittees. Everyone is welcome to join this committee. It's a great opportunity to learn new skills and offer skills that others might not have. If you are interested in joining the committee, please reach out to Cheryl Dyer at cherylddyer@yahoo.com

New Member Applicants and Sponsor Responsibilities: The Membership Committee has revised the mentor program for new members. Instead of the committee assigning a mentor, the new member's sponsor will now be responsible for that role. Sponsor/mentor responsibilities will include assisting the new member with finding the right fit for two committee assignments, accompanying the new member to a fellowship event, and also sitting with the new member at two or more of our regular meetings in order to introduce them to fellow Rotarians. We hope that these changes will help to quickly integrate the new members into our club.
