Community Events

Pickleball Tournament-The date is set for September 8-10, 2023

This is our club's signature fundraising event. It's a great way to raise money and it brings a means of fellowship to our members. Let us know if you would like to join the steering committee or be part of one of the smaller subcommittees. Everyone is welcome to join this committee. It's a great opportunity to learn new skills and offer skills that others might not have. If you are interested in joining the committee, please reach out to Debbie Graunke at dmchargue@hotmail.com

Winter in Candyland 2024 This is a community event where families will create "sweet" memories while walking through a life-sized Candyland village. As you enter the Candyland Village, you will visit **Nana's Nut House, Gumdrop Mountain, Peppermint Forest, Licorice Lagoon and Chocolate Swamp!** This will be a free event for community families.

New Member Applicants and Sponsor Responsibilities: The Membership Committee has revised the mentor program for new members. Instead of the committee assigning a mentor, the new member's sponsor

will now be responsible for that role. Sponsor/mentor responsibilities will include assisting the new member with finding the right fit for two committee assignments, accompanying the new member to a fellowship event, and also sitting with the new member at two or more of our regular meetings in order to introduce them to fellow Rotarians. We hope that these changes will help to quickly integrate the new members into our club.
