Have you ever been curious about what goes on backstage at the world-class OSF theatres?

Thanks to Rotary member and OSF staffer Julie Gillis, Medford Rogue Rotary club members can take a no-cost 1-hour tour of the OSF campus and theatre areas that are mostly off-limits to the public. We'll tour rehearsal spaces, actor “green” rooms, and offstage areas that are used for costuming and set movement.

Meet at the OSF Bricks, 33 North Pioneer St., Ashland OR 97520. Parking close-by at the Hargadine Lot or on-street.

This is our club's signature fundraising event. It's a great way to raise money and it brings a means of fellowship to our members. Let us know if you would like to join the steering committee or be part of one of the smaller subcommittees. Everyone is welcome to join this committee. It's a great opportunity to learn new skills and offer skills that others might not have. If you are interested in joining the committee, please reach out to Debbie Graunke at dmchargue@hotmail.com

New Member Applicants and Sponsor Responsibilities: The Membership Committee has revised the mentor program for new members. Instead of the committee assigning a mentor, the new member's sponsor will now be responsible for that role. Sponsor/mentor responsibilities will include assisting the new member with finding the right fit for two committee assignments, accompanying the new member to a fellowship event, and also sitting with the new member at two or more of our regular meetings in order to introduce them to fellow Rotarians. We hope that these changes will help to quickly integrate the new members into our club.
