## PROGRAM

Group excursion to BLACKHAWK MUSEUM via carpool. Approximately 20 members made the trip for a 1:30pm entry. The 95,000 square foot museum was opened just for us to wander through all exhibit halls-the famous Don Williams Automobile Gallery; The Spirit of the Old West; Art of Africa; Into China; and The World of Nature. We were free to roam. At 2PM, Dave Behring, son of founder Ken Behring personally conducted a tour of "The Spirit of the Old West," a vast expansive exhibit that showed us "how the West was won," and the various conflicts between native Americans and the U.S., the settlers experiences, the development of California Missions, the depravations of Bison, and the famous outlaws and lawmen that most of us have learned about via the movies and t.v.
