Thought for the Day: Provided by Connie Palladino.

"The Biggest Communication problem is - We don't listen to understand....We listen to reply."

"People are like books: some deceive you with their cover and others surprise you with their content."

"As we grow older, real beauty travels from the face to the heart, appeal turns to charm, hurt to wisdom and great moments to shared memories. The true beauty of life is not how happy you are now, but how happy others are because of you."

Happy Dollars: Sue Adams, Meiko Winnacker, Eddie Fisher, Patrice Jensen, Telli, and Connie Palladino are all Very Happy.
