120 Years. 100 % Leadership Turnover. Still Thriving.

Welcome to a New Rotary Year — Let's Build Bridges, Grow Together, and Unite for Good!

It's truly incredible — for over 120 years, Rotary has welcomed new leadership every single year. In most organizations, this kind of change might slow things down. But in Rotary, it fuels new ideas, new energy, and new opportunities to serve. That's the power of our global movement — we don't just survive; we thrive.

As your District Governor for 2025–26 along with RI President Francesco Arezzo of Italy, I'm honored to carry the torch of service, leadership, and innovation. I believe this year holds enormous potential to grow membership, amplify our impact, and connect even more deeply with our communities. Together, we will ensure Rotary is no longer the best-kept secret, but a bold and visible force for good.

To keep communication clear and consistent throughout the year, I'll be sending out **two types of news bulletins each month**:

1. **On the 1st of each month** – a bulletin focused on **district-wide events and opportunities** that your club may want to join or promote.
2. **On the 15th of each month** – an update highlighting **club-level events** to help celebrate your work and share inspiration across the district. (DACdb EZ stories)

Think of this as our shared roadmap — a way to stay connected, informed, and inspired as we work side by side.

Let's make 2025–26 a year of purpose, progress, and unforgettable Rotary moments. I can't wait to serve with all of you and unite for good.

With Rotary spirit,

Herb Ritter
