Introducing Monthly D5170 Club News Spotlights - 15th of every Month -PRESS RELEASE

Rotary District 5170 Launches "Club News Spotlight" to Amplify Local Impact Across the District

Rotary District 5170 is excited to announce the launch of the **District 5170 "Club News Spotlight"** — a new initiative designed to shine a light on the incredible service, events, and achievements of our local Rotary clubs.

Through the **ezStory tool in DACdb**, clubs can now easily share their stories and events with the district. Each month on the 15th, selected submissions will be *spotlighted* in a district wide broadcast email reaching more than **3,800+ Rotarians** across our communities.

"This is an opportunity for every club to showcase the heart of Rotary," said District Governor Herb Ritter. **"By telling your story, you not only celebrate the impact your club is making, but you also inspire others to join us in service, leadership, and fellowship. Together, we can attract new members, strengthen our commitment to the environment, and continue to unite for good."**
