Rotary District 5170 is proud to introduce the **District 5170 Impact Companion Club**, an innovative new membership option designed to help Rotarians stay connected during life's changing seasons.

The Impact Companion Club provides a "Rotary bridge" for members who may be facing health, family, work, financial, or scheduling challenges that make participation in their current club difficult. Instead of leaving Rotary, members can remain active, connected, and engaged while maintaining ties to their home club and the Rotary

family.

This new option may be ideal for:

- Members unable to regularly attend meetings or events
- Members facing temporary family, health, or work obligations
- Rotarians who value Rotary friendships but need greater flexibility
- Former members interested in returning to Rotary through a more adaptable membership model

"Rotary should adapt to the needs of our members, not the other way around," said District Governor Herb Ritter. "The Impact Companion Club gives us another way to retain great people and keep them connected to Rotary until they are ready for their next chapter."

**District 5170 now has a new opportunity: Don't lose a Rotarian—help them stay connected. Only \$20/month.**
