Welcome, Pledge, 4 Way Test & Thought for the Day

02/03/26

President Evan rang the bell at 12:31 for our 5th meeting of the Year. The meeting began after we devoured either the fresh vegan salad or an incredible Angus cheeseburger with bacon and fries.

President Evan started by paying tribute to **Bill McDonald's** mother, who at 103 passed away. **Bill** always spoke of her lovingly and kept us up to date on his visits and stories about her.

Evan called up **Chris Hunefeld** to lead the Pledge of Allegiance, the 4-Way Test and give a thought for the day. **Chris's** thought reflected the Optimism, Love and sense of renewal you get from our great American pastime, starting again days from now. He said,

Baseball Season Optimism

"Every new season is a blank scorecard — and hope is always batting leadoff."

2. *"Opening Day isn't just the start of games; it's the start of believing again."*
3. *"In baseball, yesterday's strikeout can be tomorrow's walk-off."*

♥ Love of Baseball

"Baseball isn't just played on a field — it's lived in the heart."

2. *"The crack of the bat is the sound of summer's heartbeat."*
3. *"Baseball is proof that the simplest games can hold the deepest magic."*

2002, Barry Bonds, Giants are NL Champs!

President Evan announced that last Saturday we had a crew go to **Diane Stauffer's** orange tree as well as others and picked oranges that they delivered to the Gospel Center Rescue Mission, the only place open on Saturday. Ladders, buckets and sore necks were the result, as well as a bushel of Oranges for the Center. Excellent!!

Sunshine Bucks

Sunshine Bucks started with:

Shelly Moreira. **Shelly** bought a new car. A Lexus RX 350. It's her third car and second Lexus! She drives a lot to San Diego and wanted the comfort and reliability. Excellent **Shelly!**

Andy Chesley: An avid backyard bird watcher, **Andy** reported he spotted a rare Pacific Northwest Varied Thrush and snapped a picture of it in his very own backyard. It's the only one in San Joaquin County, and one of the 21 species he sees daily in his backyard. Good eye **Andy!**

Andy also is very proud of his Alma Mater, The Miami / Ohio Redhawks who are 22-0, one of two undefeated teams so far this year!

Sunshine Bucks

Diane Corriea journeyed to Sacramento to celebrate her granddaughter's 24th birthday. They had lunch at Bennet's, formerly Banderas restaurant. They went to a ceramic painting party and had a great time!

President Evan said son **Ethan** has been in the Army 1 year now. He's a mechanic on the support team and they don't get quarters, so they've improvised and live in the equipment warehouse. **Ethan** is responsible for the equipment, so he's right there. **Evan** is so proud of the maturity and growth his son is exhibiting. Congrats to the **Stones**.

Game Time!

Michelle Haner's shoulder is doing so well that she was at our meeting today. Evan had her pick the lucky ticket for the game. Frosty's ticket was chosen, and he jumped up to take his shot. He jumped, he shot just as the buzzer went off, the plush animal rolled round and round, and out!! The game continues!

Today's Speaker: President Evan

President Evan filled in as speaker today, because our speaker had to cancel.

He decided to give us a quick course on the DAC database. For the record, the Hilton's wifi Network is Hilton Honors and the password is: SCKSTstandard. Once you're connected, download the DACdatabase app. Open it, set up your password and off you go. You'll have access to membership rosters of Club and District members. Also there are calendars of upcoming event and fundraisers all over the district. The P Mail feature let's you email anyone in the system, and groups are easy to form.

You can also access the DACdb from our web page. [North Stockton Rotary – North Stockton Rotary](https://www.dacdb.com/) . At the top of the page is the link: <https://www.dacdb.com/> .

Give it a try, I know enough to really get messed up, and it's an excellent way to spend a lot of time...just kidding. It's a useful tool that can help you very much.

President Evan rang the bell at 1:35pm.
