June 2022

Rotary Fellowship Month

a message from Bruce...

21-22 District Governor
Bruce Mackey & wife Linda

Thank You!

Often, when people learn I'm a veteran they say, "Thank you for your service." I always respond, "It was an honor to serve." That's how I feel as we come to the closing of this Rotary year. It has been a real honor to serve as your District Governor and I will miss it.

A Rotary District exists to serve the Clubs, just as the Clubs exist to serve the Members. Our current theme, "Serve to Change Lives" is almost a perfect summary of that principle. I truly believe that we have served to change lives both in our communities and internationally this year. Additionally, I believe that in that service, our own lives have changed for the better.

This year our District served the Clubs in many ways. We sponsored six area projects to combine the power of our Clubs to tackle big problems and let the Clubs get to know one another. It appears that these larger programs will continue and I'm very gratified that we have fill a void.

We have honored individual Rotarians for their significant and dedicated service to their Clubs and the District through the presentation of, "challenge coins". We hosted a District Celebration to observe coming out of the COVID pandemic, (I hope) and again, honor all of the great Rotarians who have done so much for their communities.

I've spoken of it many times but one of the most humbling part of the position is to visit a Club and learn about all of the wonderful programs they are pursuing on their own. I was able to visit all of our Clubs in person this year. What a great honor! You all welcomed Linda and me and made us feel like we were members of your wonderful Rotary families. Thank you for that.

June is Rotary Fellowship Month

ROTARY FELLOWSHIPS

Rotary Fellowships consist of members who share a common interest in recreational activities, sports, hobbies, or professions. These groups help expand skills, foster vocational development, and enhance the Rotary experience by exploring interests while developing connections around the world.

OVERVIEW

- Help participants make lasting friendships outside their own club, district, or country
- Advance Rotary’s public image and identity
- Serve as an incentive for joining Rotary and for maintaining active membership

ORGANIZATION

- Function independently of Rotary International by establishing their own rules, dues requirements, and administrative structure.
- Are open to Rotarians, their family members, as well as participants and alumni of all Rotary and Foundation programs.

STARTING A NEW FELLOWSHIP

If your recreational or vocational interest isn’t represented by Rotary’s current Fellowships:

- Join a [discussion group](#) or start a new one on My Rotary. It’s a great way to share your interest with other members.
- Use Rotary’s presence on [Facebook](#), [Twitter](#), and [LinkedIn](#) to promote your idea.
- Attend the Rotary International Convention or other Rotary events to network and find others that share your interest.

ADDITIONAL INFORMATION

Visit www.rotary.org/fellowships for additional resources on Rotary Fellowships.

Contact rotaryfellowships@rotary.org with questions.

As we near the end of this Rotary Year, I just wanted to say “THANK YOU” from the bottom of my heart For your Continued support to Ending Polio Now.

The last report I have received shows that for the 3rd year in a row, Rotary District 5230 has ranked 5th in Polio Contributions for the Zone

That is Phenomenal !!!!

We’ve managed to stay focused on the goal of Eradicating Polio during the most unprecedented of times, and it shows. It’s all because of every District 5230 Rotary Member’s commitment to fulfilling the Promise That Rotary made to the children of the world. We are closer than ever, but we can’t rest on our laurels, there is still much to be done and this virus is a Formidable enemy to the world. With your continued support

WE WILL DO THIS!

Kots for Kids

The Rotary Club of Porterville completed their Kots for Kids Project just prior to the Christmas holidays. Five families received a trundle bed with mattresses, sheets, pillows and comforters. The number of children in the families ranged from 2 to 8.

Kots for Kids was designed to provide beds to families that because of financial circumstances did not have enough beds for the children in the family. Families were identified by schools, churches, and Central California Family Crisis Center. The parents were contacted by the referring agency to verify the need and confirm acceptance of the beds.

A key component of the project was the involvement of the students in the Manufacturing and Construction Technology Academy (MCTA) at Monache High School. The students designed, constructed and applied finishing materials to the beds. Pandemic restrictions interfered with the students' ability to work on the beds. Then Art's Cabinetry, an industry partner of MCTA, joined the project to ensure that the beds were completed.

The local Mattress Firm store contacted the company's Commercial Sales division. A representative from that division worked with the club and provided wholesale level prices for the mattresses, pillows, sheet sets and mattress protective covers. Sales personnel at the local Kohl's assisted in ordering comforters at lowered prices.

The beds were delivered and set-up by Porterville Rotarians. Many of the families receiving beds were field workers and the deliveries had to be made in the evenings after they returned from work. The goal was to make all the deliveries prior to the Christmas holidays. The last trundle bed was delivered on December 17, 2021.

One of the five trundle beds as delivered to families in the Porterville area.

One of five trundle beds designed and built by Manufacturing and Construction Technology Academy students at Monache High School in Porterville.

How much fun to have a "good jump" on your own bed before the Rotarians added sheets and comforters.

Rotary Club of Hanford Sunset provides ten 8th graders \$1000 scholarships each.

On May 18th District Governor Bruce Mackey joined the Rotary Club of Hanford Sunset's annual scholarship dinner as the keynote speaker. Ten well deserving 8th graders were awarded these scholarships due to their excellence in the classroom and community service.

Since 1994 Hanford Sunset has donated over \$179,000!!!

Green Side Up, Part 2 -Thank You's

Our District's first reforestation effort is now behind us. What a success! We successfully planted 4650 in the rockiest terrain you can imagine. As a result of the wide response from the clubs and successful planting, we are narrowing down our next planting project for early next year in a new location. So don't feel bad if you weren't able to participate this year, you have to plant with us next year.

Thanks to the following committee members who make this such a great event. Arlina Gillett handled our Logistics like a breeze, and Sharon Kamberg worked long hours planning the registration side. Believe me when I say that it isn't as easy as it sounds. Phil Brown was on top of the Operations side, and Pauline Hershey did a tremendous job running the event's promotion. Absolutely nothing shook her when hiccups happened. Finally, as always, Vickie Bitmat and Rick produced an excellent lunch for all of us. And DG Bruce, who embraced the project wholeheartedly.

Naturally, we can't forget everything Chief Jim Kral did to get the trees. As the fires were burning, he ordered trees to help repopulate the forests. There was no waiting around to see what was happening; no, he was already on top of it. I also need to thank Steve Caracciolo and Gretchen Fitzgerald, both with US Forest Service. They helped to identify the multiple locations where we planted. I would also be remiss if I didn't thank Uta Kogelsberger and her husband, Bob Yeager, who had the vision to bring Mother Nature back to the mountain. Thank you to all the volunteers who came to the mountains to plant. Without all of you, the trees wouldn't be in the ground today.

Last but certainly not least, an enormous thank you to the Porterville Lowe's Assistant Store Manager, Alyssa Reed, who graciously donated 100% of the long-handled shovels, garden spades, and Mattocks that we used to plant the trees. Please thank her if you happen to be in the Porterville Lowe's store.

I hope to see all of you next year when we go to a new location to plant.

Empowering Youth
Through the Arts

New Member Spotlight - Carmel Sunset welcomes new members **Lillian Barbeito** and **Greg Avant**

Lillian is co-founder of the Carmel Dance Festival and a graduate of The Julliard School. She is Co-founder of the internationally known BODYTRAFFIC. Lillian has enjoyed an illustrious performance and teaching career throughout the U.S. and Europe.

Greg is a California attorney focused on commercial transactions and intellectual property with more than fifteen years of technical and business development experience. He is a graduate of The University of Georgia and University of San Francisco School of Law.

District Butterfly Project 2.0

Carmel Sunset Rotary Club members participated in the Spring Butterfly Habitat Planting event on May 7th at San Lorenzo Park in King City. (Photo right: President Elect, Cameron Stoddard rocking it!)

Kentucky Derby Winner - Carmel Sunset Rotary members attended the 148th Kentucky Derby event hosted by the Monterey Pacific Rotary Club. Sunset member, Pam Thayer was awarded the Best Derby Hat of the day. (Photo left).

The Pointe of Art - On Sunday, May 15th the pairing of pointe slippers took place between 23 internationally acclaimed artists and 23 local dancers. The artists have 3 months to create a unique piece of art inspired by their dancer. The Carmel Sunset Rotary Club will host its 3rd Annual *The Pointe of Art* auction on September 9th featuring live and silent auction, catered reception, and local music. All proceeds will benefit "The Monterey Peninsula Ballet Theatre" (Above Photo: Participating artist, dancers, and members of Carmel Sunset Rotary).

Clovis Rotary wrangled up a stomping good time at their 1st Annual BBQ & Brew fundraiser on Saturday May 14th, 2022. Hundreds of guests and dozens of Rotarians and gathered at PR Farms' shed for dinner and beer tasting, which included a Clovis Rotary IPA Home Brew, crafted earlier this year at one of their club socials. Funds for the local community and the many deserving projects Clovis Rotary supports were raised through a raffle, dessert auction, silent auction, and live auction. Cowboys and cowgirls dusted off their boots and hit the dance floor enjoying a live performance by John Pemberton and line dancing instructions throughout the evening. It was a fun night had by all!

A Day at the Park Deemed a Success!

Like so many other organizations, the iconic Kearney Mansion, located South of Fresno, was hit hard by the Pandemic. With a loss of funding and a loss of volunteers, the Fresno County Historical society was not able to do much of the routine maintenance that is normally required for the 120-year-old property so the building began to suffer. When our local clubs heard about it, we stepped up to help.

Our local Assistant Governors proposed a Kearney Mansion cleanup project to the 17 clubs in Territories 8, 9 & 10 and volunteers from 8 of those clubs came together on Saturday, May 21st, as a massive work party to help do the work that needed to be done. We had 60 Rotarians and 30 interactors working on that Saturday including a number of volunteers who had not pre-registered but just came out to the park to work. It was a great turnout and thanks to everyone who took part!

Working together we painted, organized, mopped, sorted, and cleaned throughout the mansion and we did extensive clearing, weeding and planting in the gardens around the building. The Interactors took over the third floor and cleaned out several rooms that until then had been used as storage. Now that the rooms have been cleared, they will be opened up to the public as an additional display area featuring historical items relating to Fresno County and to Kearney Park. Historical Society President Elizabeth Laval said that we were able to accomplish in two hours what it would have taken the staff a good two weeks, or more, to do

A Day at the Park proved to be another District 5230 success thanks to our *People of Action* working together to benefit our community.

ADDENDUM

We learned recently that two members of the Cultural Arts Club, Laurel Ashlock and Regina Vukson, followed up on our Saturday project by returning to Kearney Mansion on Tuesday, on their own, to prune the roses, sweep the debris and water the plants that were planted three days before. What a great example of Service Above Self!

Additional pictures on following page.

A Day at the Park Deemed a Success!

Rotary of Fresno Sunrise provides a check for \$5,000 to Ronald McDonald House

Pictured: David Doyle, Secretary Christine Maul, Megan Starr, Timothy Conboy, Cortney Chatoian, President Joe Villareal, Ken Dodderer, Chocoliscious Run chair, Alan Uyemura

Members of the Rotary Fresno Sunrise Club were pleased to present a check for \$5,000.00 to Megan Starr and Cortney Chatoian, marketing specialists for the Ronald McDonald House at Valley Children's Hospital. These funds were generated by our annual fundraiser, the Chocoliscious Run, chaired by Sunrise club member Alan Uyemura.

The Ronald McDonald House at Valley Children's provides a home away from home for families who travel far from home to be with their infants who are being cared for in the neonatal intensive care unit (NICU). It was our sincere pleasure to support the many services and supports offered at the Ronald McDonald House.

Rotarian Jacqueline Smith Garcia, Ph. D., receives the Child Advocacy Award

On Thursday, May 5, members of the Rotary Fresno Sunrise Club attended the annual luncheon for the Fresno Comprehensive Youth Services, an organization that provides quality mental health and family support services to children, youth and families in Fresno County.

Our club member, Jacqueline Smith Garcia, Ph. D., received the Child Advocacy Award in recognition of her past service as executive director of the organization. There to cheer her on were numerous family members and friends, including her husband, Rotary member Robert Garcia. Other Rotary members in attendance were President Joe Villareal and his wife, who is Secretary Christine Maul, Phil Blohm with his wife, Cathi, and Timothy Conboy.

The Rotary Fresno Sunrise Club also supported the event as a Silver Donor.

Congratulations, Jacque Smith Garcia, on this well-deserved honor!

Rotary Club of Monterey Awards Scholarships

The Rotary Club of Monterey (RCM) awarded 27 scholarships worth \$21,000 to 27 different students at Monterey High School, California State University Monterey Bay and Monterey Peninsula College during their regular meeting at The Hilton Garden Inn in Monterey on May 5, 2022.

RCM also recognized three teachers with awards of \$2,000 each from San Carlos School, Walter Colton Middle School and Monterey High School during the same meeting. Each of the recipients exemplified 'Service Above Self'—Rotary's motto.

Shown in the above picture are 5 students from Monterey High School, (L to R): Angela Tan, James Dodson, Alejandro Salmeron, Ashton Noyes and Reem Elyas. RCM has been recognizing outstanding teachers from the Monterey Area since 1989. During that time, 59 public school teachers and 19 private school teachers from 15 different schools have been honored. This years awardees are: Teresa Bennett, Principal of San Carlos School—a transitional Kindergarten to 8th grade school in Monterey. Teresa was also a student scholarship recipient from RCM in 1975; Anne Davis from Walter Colton Middle School. Anne encourages her students to become lifelong learners; Chuck Fleming (whose wife Daryl was an RCM teacher award winner last year). Chuck has grown the Choral program at Monterey High School since joining the High School in 2018.

Rotary Club of Visalia Sunset helps support students...

In April, the principal, teachers, and students from Goshen Elementary School presented about the State History Competition for History Day. Seven students qualified and were to travel to William Jessup University in Rocklin, California to compete against schools from throughout the state.

The students invested over 100 hours of research to prepare on topics related to debate and studied about Japanese internment camps in the 1940's and the Cuban Missile Crisis.

Goshen was the only Visalia Unified elementary school to participate in the Tulare County competition and competed against middle school students. Upon their return from competition in May, the Goshen Elementary 4th and 5th Grader Student Participants were among the top 10 in this statewide competition among 1,200 student participants, all the rest of whom were high school students!

Visalia Sunset Rotary was proud and humbled to support the students and their families with our contribution to cover the costs of travel, food, and lodging for the three-day event.

PROJECT HELPING HANDS

Project Helping Hands is a district grant project that supports classroom teachers by providing additional assistance to enhance the learning experiences every child deserves. At times adding a little bit of money to just the right place can make education more interesting and effective. Teachers know where gaps in classroom budgets lie. The PHH grant puts trust in teachers to know where financial assistance can be most helpful. The Rotary clubs of Salinas Valley, Corral de Tierra and Steinbeck joined together to support Spreckels Union School District through our Project Helping Hands grant. Approximately 250 current students in grades K through 5, as well as students into the future, benefited from the grant this year. By collaborating as clubs, we were able to provide \$7,500 in grant awards to their teachers for items such as sensory centers, chicken incubator stations, flexible seating, classroom sets of research books, and more!

Rotary Club of Visalia Breakfast celebrates two worthwhile projects in Rotary Year 2021-2022

VBR has teamed up with Washington Elementary School for 8 years now; we read to the students, we help the students with their reading, and we BBQ for the students and their families at the end of the year. This year we took 60 Washington students from 1st grade through 6th grade to Adventure Park which is a local water park here in Visalia. This school has children who come from families where the parents must choose between paying their rent or buying food to eat, some with single moms working multiple jobs who aren't always available to help their children with their homework, and the working poor. These students were chosen by their teachers as students who excelled in spite of their circumstances, and our VBR club wanted to give these students the chance to experience a fun day filled with games, waterslides, bumper boats, pizza, cupcakes, and backpacks filled with lots of nutritional snacks and special gifts. Visalia Breakfast Rotary Club was blessed to participate in a day where kids could be kids and that's just what we did! You will see in the photos how much fun these students had! Our commitment to children and their education is very important to our club and we continue to find ways to help these schools change lives of kids who need a helping hand.

Rotary Club of Visalia Breakfast

Rotary Club of Visalia Breakfast celebrates two worthwhile projects in Rotary Year 2021-2022

Visalia Breakfast Rotary (VBR) has had a partnership with Visalia Emergency Aid (VEAC) for 15 years and part of that partnership is the donation of 150 - 300 bicycles each year to VEAC to give away at their Christmas Eve Distribution. These bicycles are given to children whose parents can't afford to buy one. Each year, VEAC also saves 20 bikes that will go to some of the poorest schools in Visalia, CA, with students who come from extremely low-income families. The bikes are given to students who excel in reading, have great attendance, best citizenship, etc. This year during my presidency we gave 5 bikes to Goshen Elementary, Washington Elementary, Highland Elementary, and Annie R. Mitchell Elementary School. The attached photos are of myself, Iris Feaver, incoming president Mike Ashoori, and the Executive Director of VEAC, Mary Jennings, giving bikes to the students of Annie R. Mitchell, 2 for Citizenship of the year and 3 for Student of the Year. This has been an ongoing service project for Visalia Breakfast Rotary for 10 years.
