San Marino Rotary Rotoscope January 26, 2023

January 19 Program. We heard an eye-opening presentation from Dr. Dean Derdiarian of Pasadena Community College. We all knew that PCC was the best feeder school for the UC's and even USC. But many of us didn't know that the college offers such a wide range of certificate programs, including nursing and IT. Thanks to Linda Wah for arranging this fascinating program.

January 26 is TAT (Thursday Around Town) Okay Rotarians, time to loosen up and party! This Thursday night we leave the quiet confines of the Community Church (so don't show up at noon) and venture to the Padillo Room at the San Gabriel Mission **Playhouse**. Armed with hors d'oeuvres and perhaps a drink of some sort we will be socializing with fellow club members as well as with members of our sister clubs in Altadena and South Pasadena. We will hear presentations from four of our members who have innovative businesses. It's always so much fun to learn and mingle with Rotarians in a different setting.

ROTARY BEHIND THE SCENES

Do you ever wonder where Rotary Club presidents come from? Like most volunteer organizations, if you show up enough and volunteer for things, you will get noticed and may find yourself on the leadership team. But don't be intimidated by the thought of leadership responsibilities because our district has great training programs for board members and a special weekend-long training program for club presidents called PETS. It stands for President Elect Training Seminar. In fact, Barbara Bice will be doing her training the first weekend of February. At PETS you get taught everything you will need to know to be president. And really, how difficult can it be? Our club does not require you to use a teleprompter. And as long as you don't try to shake hands with imaginary people on stage, you will do fine. So keep showing up, and volunteering, and see where it takes you in Rotary.

LUNAR NEW YEAR CELEBRATION If you have any energy left after our January 26th TAT in San Gabriel, consider attending the January 28 Lunar New Year Celebration at Lacy Park, 10 am to 2 pm. Join the San Marino community for a fun day at the park, featuring performances, entertainment, games and food. Sponsored by the Chinese Club of San Marino along with the City of San Marino, Partnership for Awareness, San Marino City Club, Rotary Club and San Marino Unified School District.
