- **Nate Jones** is a born and bred Long Beach guy, attending Poly High School and Long Beach City College. He is married with 3 children and 3 grandchildren.
- Nate is founder/owner of Nate Jones Tire Co. – established in 1967 – an auto, general and high-performance/racing tire and balance business. (His partner is the younger Nate.) In the high-performance area, racing tires for Bonneville Salt Flats vehicles are a specialty. Nate has done tires and balance for hundreds of teams and has been a part of the team for Speed Demon, a streamliner that has achieved a world record of 439.6 mph with a one-way record of 462 mph.
- In 1975 Nate became one of the 20 original founders of the Long Beach Grand Prix and in that same year became Director of Paddock Operations, a position he has held every year since. He has worked various other US venues as well as Canada and Spain for Indy-type cars, X Games Global Rally Cross, IMSA and other types of racing.
- When Nate was 10 he visited the USS Missouri in port at Long Beach; he was hooked on battleships.
- In the 1990s he became part of a group to bring the Missouri to southern California, but ultimately it ended up at Pearl Harbor. 4 years ago Nate joined a group hoping to bring another battleship – the USS Iowa - to the area. This effort was successful and the Iowa is berthed at the Port of Los Angeles in San Pedro.
- In the 1990s Nate founded a nonprofit – Kids Hands and Minds Together – to promote creative, active, and unplugged activities for children using their brain and hands together. He has designed a take-apart, gravity-powered car (sit-in) to get kids involved.

Membership in Progress

By Steve M. Hockett, RCLB President #108

Have you ever gone to a football game at the Rose Bowl or a concert at the Hollywood Bowl, and, after you sit and look around, say, "How could I have ever thought about not coming?" That's how you might think about coming to Rotary.

Whether it is a great speaker, fun recognition, or the fellowship, you are always glad you came to a Rotary meeting.

It is my job and the Board's job to ensure the show is fun! So get over whatever keeps you away, and see you next Wednesday.

Our membership focus is working well, but we still need your help bringing interested guests to our meeting. Think of your friends, fellow workers, or fellow volunteers and invite them as guests. Act

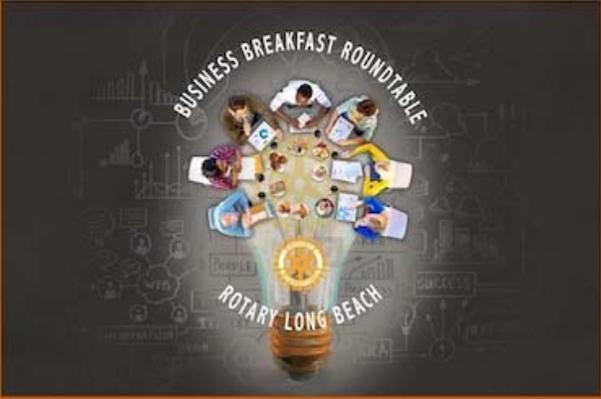

quickly, as meetings are unusual around the holidays.

Thank you!

Bikes 4 Kids Project

By Jon L. Mesko, Bikes 4 Kids Chair

We are excited to provide Bikes 4 Kids this Holiday season once again. Our high-need school of choice this year is Roosevelt Elementary, located at 1574 Linden Ave. Long Beach.

--	--	--	--

We've announced an Essay Contest to the three classes, saying that one child in each class will win a new bike. The kids will be working diligently on those essays!

The wonderful surprise is that ALL the kids in 3rd Grade will receive a bike! So we have some work to do

We need 40 people to help build bikes on Dec 6, and 20 volunteers to help fit the bikes and helmets on Dec 10.

1. Build the bikes: Friday, Dec 6 around 6-8 pm

- At this event we will build 125 bikes for the give-away
- This will take place at Roosevelt Elementary (1574 Linden Ave, LB) The bikes will be stored there over the weekend.
- Experts will be on hand to help with "quality control" of each bike.
- Pizza provided!

2. Fit the bikes and helmets: Tues, Dec 10 from 2-5 pm

- Each child will be fitted with their bike and helmet, along with instructions for their lock.
- A parent or guardian will need to pick up each child with their bike and sign a release form.
- This will also take place at Roosevelt Elementary School, at afternoon "pick-up".

Please contact Jon Mesko by Dec 4th if you're interested and for which date. 562.549.1848 or jon@lbbblast.org

School Assembly to reveal the winners: Mon, Dec 9 at 9 am

Please reach out to me with any questions, comments or concerns. Thank you, Rotarians!
