Since 2020, **Dan Butterly** has served as Commissioner of the Big West Conference, a National Collegiate Athletic Association (NCAA) Division I Conference consisting of 11 institutions based in California and Hawaii. Rotarian Jane Close Conoley served as Chair of the Search Committee that hired Butterly to be the Fifth Commissioner of the Big West in its 56-year history. In her welcome announcement, Jane said the new Commissioner was "...visionary, highly respected and experienced, and his strong commitment to academic and athletic success makes him a great match with our Conference's values."

Butterly currently serves on key national committees, including the NCAA Council subcommittee focused on Name, Image, and Likeness (NIL), and he is Vice-Chair of the NCAA Division I Men's Basketball Oversight Committee.

Prior to his time at the Big West Conference, he was Senior Associate Commissioner at the Mountain West Conference, where he worked for 21 years.

Commissioner Butterly's tenure began during the Covid-19 crisis, necessitating a remote operation that has since become successful as the first fully remote Division 1 Conference office in the country. He resides and is headquartered in Colorado Springs, Colorado.

A native of Washington, Ill., Butterly got his start in the field of athletics as the Head Basketball Manager at Illinois State University. He received his Bachelor's degree from Illinois State University and his Master's degree in Sports Administration at Ohio University.

Bikes 4 Kids

By Tina Barry, Community Service Co-Director

3rd Annual "Bikes 4 Kids" Project

Hey, Rotary Club of Long Beach! We are preparing for our 3rd Annual "Bikes 4 Kids" project this December. Are you excited to be a part of our event this year?

As in past years, this project provides bikes for 3rd grade students in an underserved school within LBUSD.

We have three objectives for this wonderful event:

1. Reach underserved youth in our community
2. Increase bike awareness and a healthy lifestyle option
3. Introduce a service mindset to young people

Here are the details for our event:

- The school this year is Oropeza Elementary School
- Dates for the 3 events are:
 - *Build the Bikes*: Friday Dec 12 from 6-8:30 pm
 - *Student Assembly to announce the winners*: Monday, Dec 15 at 8:00 am
 - *Bike Fitting*: Tuesday, Dec 16 from 2:30-5 pm

Of course, volunteers are needed for the *Bike Build* and the *Bike Fitting* events! Please contact Nicki Mollet (@605/659-4885) to sign up or ask any questions.

This is a hands-on opportunity to directly impact children in our community. You'll see their faces light up and know you've made the holidays special for them.

Evening Dinner Focus on 2028 Olympics

By John E. Romundstad, RCLB Secretary-Treasurer

Our annual **Evening Dinner Focus (EDF)** is scheduled for **Wednesday, January 7, 2026**.

Once each year, *in lieu* of our regular Wednesday luncheon meetings, we gather instead for dinner at several members' homes to discuss a specific topic of Club interest. Our topic this year will be how our Club can meaningfully participate in the upcoming 2028 Olympics, an event in which Long Beach is already deeply involved, as demonstrated by Mayor (and Rotarian) Rex Richardson's remarks at our Oct. 29 lunch meeting. As in the past, each year we reach out to Club members to ask that they volunteer their homes as a venue for our dinner discussion. This year, however, at the suggestion of **Freda Hinsche-Otto**, our **Rotary Olympics Committee Chair**, instead of a sit-down dinner in each host home, we will be operating under the theme **"Pizza, Projects and Possibilities—Rotary and the Olympics"**.

Each host, of which we typically need 8-10, will order pizza, salad, and a simple dessert – think: ice cream bars, and a more informal "food-on-your-lap" approach will be the order of the evening. Each guest will bring a beverage of his or her choice for the event. Hosts will be reimbursed by the Club for all food expenses

incurred.

You will be hearing a good deal more about EDF in the weeks ahead, but we want to put out the call to Club members early on to facilitate our planning.

So, if you can accommodate perhaps 8-10 people for an informal "pizza party" in your home on Jan. 7, at which we will discuss the role of our Club in the 2028 Olympics, please contact either Madrid or me as soon as possible.

Thank you.
John E. Romundstad

Camp Enterprise is Rotary of Long Beach's signature camp where students develop valuable entrepreneurial skills, leadership, and resilience. A little bit of Shark Tank in the mountains! It will be held at Camp Oakes near Big Bear on April 9-11, 2026.

If you are interested in volunteering for Camp Enterprise, please complete the [adult volunteer application](#)

We would love everyone's help recruiting students - **64 minimum for Camp Enterprise** with a stretch goal of 110.

WHY RYLA?
LEARN, DEVELOP, EXPERIENCE

- Develop Relevant Leadership Skills – that translate to the Real World
- Develop confidence in yourself and the ability of others
- Explore Team building and problem solving skills
- Grow your curiosity through innovative and interactive process
- Transform your life through action
- Have fun and form lasting friendships

ROTARY

Rotary is a global network committed to service and leadership, enriched by diverse perspectives.

RYLA, led by Rotary District 5320, offers 10th and 11th graders a six-day leadership camp. Split between virtual and in-person sessions in Idyllwild, CA, the camp hones teamwork and leadership through engaging activities.

Local Rotary clubs collaborate with schools and youth programs to identify RYLA participants. The camp is fully funded by Rotary, so it's free for students.

Learn more at [RYLA5320.org](#) or [Rotary5320.org](#). Don't miss this chance to make a real impact.

RYLA focuses on leadership and includes ethics, self-confidence, problem-solving, and conflict-management. It will be held at Camp Idyllwild near Palm Springs on April 17-19, 2026. Newcomers in the 10-11th grade are welcome. Here's a quick video on RYLA ([here](#)).

We also have our biggest RYLA goal ever – 30 students.

Both student registration links are included above for easy forwarding.

Thank you...

Rotary Night at The POPS

The largest group photo in Rotary District 5320 history!

The Long Beach Symphony Pops on Saturday, November 15, was an evening of fellowship, music and service!

Tickets included a discount and a 25% donation to **The Rotary Foundation**. In partnership with the Long Beach Symphony, the concert also supported a holiday food drive for **Food Finders in Long Beach**.

Thank you, Rotary Club of Long Beach President Kelly, (also Long Beach Symphony President) and Rotary District 5320 Governor, Craig Livingston!

Grant Impact at McKinley Elementary

THANK YOU TO ALL ROTARIANS for your generous donations to Reading by 9!! Since our fundraising in September our pledges have continued to grow to over \$150,000 which is an all time record. The Literacy Committee is hard at work to make the most impactful use of the funds. Attached is a letter from one of our Teacher Literacy Grant recipients last year, Minerva Juarez at McKinley Elementary School, which is an example of how your donations are utilized to positively impact young kids interest in reading.
~ Frank Newell on behalf of the Literacy Committee

Grant Impact at McKinley Elementary by Minerva Juarez, Teacher-Librarian

Thanks to our grant, our library has been buzzing with excitement! The new additions to our "scary stories" and graphic novel sections have sparked a noticeable increase in reading across all Grade levels, not just in Grades 1-3. Students are eagerly checking out these titles the moment they hit the shelves.

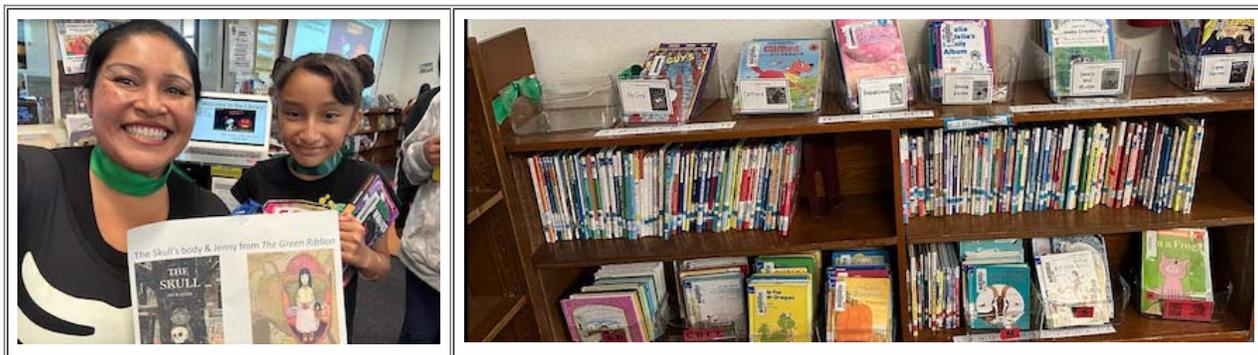

Their enthusiasm has become contagious, and even our more hesitant readers are joining in. Even though the grant is for Grades 1-3, I had a 5th Grade student come, a reluctant reader that did not want to check out a book. I showed her the title of one book, *The Doll in the Hall and other scary stories*, and she checked it out and started reading it right there in the library. The following week, she asked me for another book like that, but I was all out. I told her I was going to save a copy just for her, and she thanked me.

The kids are so excited about the books that they also come in the morning to read an extra scary story book. It is a joy to see the students come in and want to read.

Thank you so much, this grant has helped us bring in books that resonate with our students' interests, and the impact on their motivation and joy for reading has been great. McKinley Elementary is grateful for this support in nurturing a community of young readers.

We appreciate the partnership and look forward to applying for another grant soon to help with our Holiday book collection next.

In the picture provided is a girl that wanted to dress up as one of the characters from a scary story I read to them called *The Green Ribbon*. I was overjoyed to see her dressed as that because that meant that she loved the story. In the picture is also a paper with the covers of two stories that I can't ever keep on the shelf. She was also checking out a book bought by Rotary Club.

We have a special bin for the book of the story of The Green Ribbon, but it is always empty because the book is always checked-out.
