*Did you hear about the golfer who swung his club halfway? He nearly had a stroke.*

## Rotary At The Nethercutt - You Had To Have Been There!

Rotary traveled down the road for a fellowship outing to Nethercutt Museum and Collection, consisting of over 250 American and European restored vehicles, antique railroad steam engine and custom Pullman passenger car, a vast array of rare mechanical musical instruments and precious antique furniture.

Our 26 Rotarians and guests enjoyed the personal tour by the founder's great-grandson, Cameron Richards.

We were also treated to a special "performance" of a John Williams medley on the Wurlitzer theatre pipe organ and a behind-the-scenes look in the automobile restoration shop.

Special thanks to **Rayne Sherman, Linda Rahn, Natalie Hale** and **Madrid Zimmerman** for an inspiring day!
