

This Week – Rotary 101

This week, **Jennifer Loretta** will present the first installment of Rotary 101 and the subject will be the Rotary Foundation; how it functions and what it means to us. Do your homework because Pres. Priscilla might also offer up some more Rotary quiz questions!

August 12 - Palm Desert City Community Services

Speaking will be Randy Chavez – Director of Public Works. Mr. Chavez has served the community for over 28 years. He oversees the planning, development, and maintenance of critical infrastructure.

Also presenting will be Shawn Muir – Community Services Manager. Mrs. Muir oversees the Community Services Division, including Landscape, Parks & Recreation, and Facilities. She has been with the City for three and a half years.

Their presentation will focus on services and support provided by City Public Works including streets, traffic, sidewalk and curb improvements, storm drains, landscaping, and parks and recreation facilities. We will also learn how to report issues and access safety and community gardening information.
