

IMPACT! e-bulletin

July 9, 2024

District Governor Sue Krahe-Archibald

July is New Leadership Month

Rotary International designates July as New Leadership Month.

This period marks the start of the new Rotary year, and it's when Rotary clubs and districts worldwide welcome their new leaders, including presidents, district governors, and other officers. This month's focus emphasizes leadership development and the transition to new leadership roles, encouraging members to embrace their new responsibilities, set goals for the year, and inspire positive change in their communities and beyond.

As we all celebrate our new leaders, let's not forget the legacy that those before us have left! By reviewing those accomplishments of the previous year, we are able to express our gratitude and build upon the past success. I believe Rotary is an ever-changing organization built upon Rotarians who believe in Service Above Self!

Our new Rotary leaders need everyone's support and encouragement. New leadership brings fresh perspectives and ideas that foster an environment of innovation and collaboration! The joy of Rotary is the fellowship we all share no matter where we go!

Watch for more information in IMPACT during July focused on key Rotary Leaders.

D5500 New Generations First Service Exchange Student

The Rotary Club of Denia (D2203) and the Hospital Clinica Benidorm (HCB) in Denia have selected U of A Public Health Student Brooke McKalip, University of Arizona Rotaract President, for our first New Generations Service Exchange (NGSE) organized by the ICC USA-Spain, the Rotary Club of Oro Valley and District 5500.

Brooke arrived in Valencia and was met at the airport by Oro Valley Rotarians Rianne and Rick Chimblo, who are visiting Spain. Brooke will spend her first two nights at the home of Rick and Rianne in Denia. From there, she will start her 4-week internship at HCB and move to her host family home of District 2203 Youth Chair, Angelines Asperilla.

Seeds of Hope – Generous Hearts in Action

An Endowment Fund donor said, “*Our Rotary Legacy is a world without conflict.*”

What will your Rotary Legacy be? What future do you envision?

Most of us have an affinity for one or more of Rotary's causes yet many Rotary members are not aware of how they can create their own Rotary legacy – there are so many possibilities! Click [HERE](#) for the *Pocket Guide to Planning a Legacy* – it is short, concise, and loaded with information.

Your Legacy, Rotary's Promise

Make an impact now and forever

Polio Eradication: Rotary's #1 Goal

The global eradication of polio is, and must remain, the primary goal of Rotary International and its Foundation until the world is certified as polio-free. Let's look at how Rotary has made the eradication of polio the priority, and the results.

More than half of the amount spent by the Rotary Foundation last year was for polio eradication due to the continuing generosity of our members, clubs, DDF allocations, and the 2 to 1 match from the Bill and Melinda Gates Foundation. Over 800 million children received the oral polio vaccine last year. There are now over twenty million people walking on earth who would be paralyzed if not for Rotary starting the Global Polio Eradication initiative. Vitamin A drops given to children at the same time as the polio vaccine have prevented 1.25 million deaths by decreasing susceptibility to infectious diseases.
