Speaker - Mary Chauvin

In 2003, driven by her entrepreneurial spirit, Mary Chauvin founded Etiquette Center of the South® with a mission to help rekindle civility in society. What began as children's etiquette classes taught in her living room, quickly grew into a national speaking company thanks to her unique ability to connect with people of all ages. Mary's dedication to service and her commitment to making a difference are the cornerstones of her work. Her current endeavor is the creation of MINUTE WITH MS. MARY®, a micro-learning etiquette program that delivers timeless principles of civility — one minute at a time. Mary is trained as: ? An educator ? An etiquette consultant ? A life coach ? A Professional Trainer and Developer ? A Non-verbal Communication Specialist.
