MLK Day of Service

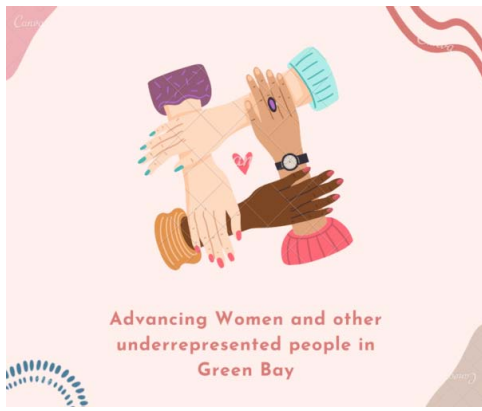

Our club is participating in a pilot program with local Girl Scouts to collect items for formerly homeless people who are helped through the

[Ecumenical Partnership for Housing](#) on Martin Luther King Day weekend (January 13-15, 2023) MLK Day is a national day of service that honors the memory of the work of Dr. Martin Luther King and provides us all with an opportunity to give back to a cause that was important to him (homelessness). At this point, we are looking for Rotary members who personally have a connection with a local Girl Scout Troop and an interest in participating in this fantastic opportunity. The time commitment will be a couple of hours and will be work hour friendly. If this is you, please email or text club member Wendy Woodward (wwoodward@hotmail.com or 847-814-5168) to move this initiative forward.

Sunshine Committee

Tom H. and Tom G. have joined together to form a Sunshine Committee for our club. This committee will respond to and acknowledge events in our club members'

lives, sometimes happy ones and sometimes sad ones. They may send flowers or cards expressing sympathy, joy, and everything in-between. If you are aware of club members needing or deserving acknowledgment, or would like to join the committee, please reach out to them.
