Each year, the Foundation awards up to 130 fellowships to experienced peacebuilders from around the world so they can study at one of our Rotary Peace Centers. The fellows can earn a master's degree or an advanced professional development certificate in disciplines related to peace and development.

Applications will be accepted from 1 February through 15 May. Peace fellows will begin their studies in 2026 at partner universities in Australia, Japan, Sweden, Türkiye, Uganda, the United Kingdom, and the United States.
