Book & Lyrics by Don Black & Christopher Hampton

Music by Andrew Lloyd Webber

Based on the 1950 Film "Sunset Boulevard" written by Charles Brackett, Billy Wilder & D.M. Marshman Jr.

Directed by Michael Blatt

Synopsis:

Sunset Boulevard revolves around the former star of the silent screen era, Norma Desmond. Aging and largely forgotten for years, she lives in her dilapidated mansion in Hollywood with her butler and chauffeur, Max. Lost in her memories, she is stirred into action when struggling screenwriter, Joe Gillis, suddenly enters her home and her life. Joe is down on his luck and struggling to escape debt collectors. Norma offers him a room and board if he agrees to edit her incomprehensible script of Salome, a movie she has written and in which she wants to star as the teenage seductress. Norma is convinced that she is still as beautiful and in demand as ever. This misguided belief is sustained by Max, who writes fake fan letters to her and shields her from the realities of the much changed, modern-day movie business. Buoyed by Joe's presence in her house, she lavishes him with gifts and soon declares her love for him. Her obsession with the young writer further reveals her increasing mental instability, leading to tragic consequences.

May 15th, 2026 - Samantha Wodecki and Lori Steininger are Speaking

We're excited to welcome Lori Steininger and Samantha Wodecki of ICAN as our speakers on May 15th, 2026.

ICAN is an organization dedicated to unleashing abilities by providing expertly trained service dogs to individuals with disabilities. Lori, a former educator turned nonprofit leader, and Samantha, ICAN's Director of Philanthropy, will share how their work in community engagement, partnerships, and fundraising is expanding independence and opportunity for individuals and families across Indiana. Together, they bring a powerful perspective on how mission-driven collaboration can truly change lives.

ICAN was a recipient of a Carmel Rotary Community grant this year.

Lori Steininger serves on staff at ICAN, where she combines her passion for education, community engagement, and unleashing abilities through expertly trained service dogs. A graduate of Hanover College with a degree in Elementary Education, Lori taught elementary and middle school for many years before transitioning into the nonprofit world. She began her journey with ICAN as a volunteer in 2019, experiencing firsthand the life-changing impact of the mission. In 2023, she joined the ICAN team as a staff member, where she now works to expand awareness, strengthen partnerships, and grow support so more individuals and families can experience greater independence and opportunity.

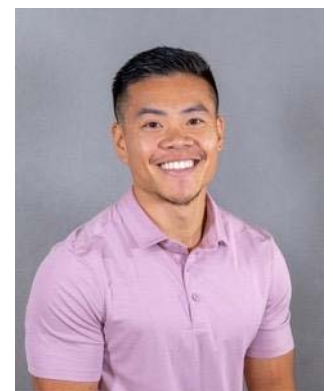

Samantha Wodecki serves as Director of Philanthropy at ICAN, where she leads fundraising and community partnership efforts to expand access to expertly trained service dogs for individuals with disabilities. With a strong background in nonprofit development and relationship building, Samantha is passionate about connecting donors, partners, and community members to ICAN's mission of unleashing abilities and creating greater independence. She is proud to work alongside a dedicated team and volunteers who help change lives across Indiana every day.
