## A Message from our President

By John R. Kellogg on Sunday, July 24, 2022

Fellow Sunrise Rotarians,

Welcome to the start of a new Rotary year. Obviously, the last few have been an adventure but one our club members embraced and worked hard to make sure we supported those who needed us. As we look towards the future I think we can see that our community and our world needs Rotary.

At this week's meeting I will share our club's new three year Strategic Plan. The plan maintains most of the key features and goals of past plans but the community and world in which we serve as Rotarians have changed. In other words, we need to think and act differently if we are going to remain a vibrant and valued service organization.

One of the areas we need to attend to is membership. As you will learn our official club membership has declined. In addition, it appears that member engagement is down as represented in our meeting attendance. This is certainly an outcome of the pandemic.

The strength of our club is built on the strength of our membership.

The call to action is twofold. First, can you be active in recruiting new members? Second, can you re-connect with our current members to jointly re-engage with WSR?

In the coming weeks we will provide more information related to how we

move our Strategic Plan from paper to action. Thanks for providing your time and expertise!

Imagine Rotary

Thanks,  
John R. Kellogg, Club President
