

President's message

By James T. Caldwell

For the year 2024 -2025 Westerville Sunrise Rotary won the Club Excellence Award. The award honors clubs for "fostering a positive experience for its members and reflecting the value of Rotary." So, congratulations to Past President Tiffany for leading us during last year and to all of us for our contribution to the club.

I was having coffee with a member of another club the other day and they were commenting on what a great club we have and wished their club was more like ours. Every week we have visitors and speakers who are amazed at how great our meetings are and the wonderful camaraderie we have as a club. You may wonder at times "what is our secret sauce that makes the club great?"

On Monday October 6 at 5:30 we will be holding the Westerville Sunrise Emerging Leaders program, and you will learn how the "secret sauce" is made. Past Presidents Julie Colley, Larry Jenkins and Pat Knott will discuss the history of the club and how and why we do the things we do. It will be a very informative session, and you will walk away with a greater appreciation of our club.

I look forward to seeing you all on Wednesday morning when Robin Collins from Visit Westerville will tell us the plans for the Westerville 250 celebration next year. Have a great Labor Day!
