Urgent Call To Action: Support Flood Relief In Texas

Rotarians and friends of District 5830,

Our neighbors in District 5840 have been devastated by catastrophic flooding in the Texas Hill Country. The Guadalupe River surged over 30 feet, tragically taking dozens of lives and leaving widespread destruction in Kerrville and surrounding communities. Kerrville is home to two of our fellow Rotary Clubs, and they need our help now more than ever. As part of Rotary's commitment to **"Service Above Self,"** we in District 5830 have an opportunity—and a responsibility—to stand with them during this unimaginable time.

Rotary District 5840 is now accepting **tax-deductible donations** through their 501(c)(3) Foundation to support critical disaster relief efforts.

We're working closely with District 5840 and the Rotary Clubs of Kerrville to ensure that aid is directed effectively and responsibly.

District 6690 Honor Flight

Honor Flight Columbus

Opportunity Available to all Rotary Clubs in District 6690!

A District 6690 sponsored flight will take place in September of 2025. The veterans eligible would be Senior Veterans who are age 65 and over and served on FULL TIME active duty (outside of any basic training active duty) or over 20 years in the Guard/Reserves, WWII, and Korea. Terminally ill veterans will have scheduling priority. Veterans who served prior to 1961 receive top priority. The HFC 925 applications will include veterans that are Rotary club members, Rotary club alumni, related to Rotary families or local veterans sponsored by the Rotary club. The plane, scheduled for some time in September of 2025, can take 87 veterans and 43 guardians. Guardians will be provided by Honor Flight of Columbus. Earlier flights in the spring may be available, however, they are not District 6690 sponsored.

Rotary District 6690 HFC 925 applications can be found at:

<https://www.honorflightcmh.org/veteran-application> and <https://rotary6690.org>

We are asking for \$2500 sponsorships from Rotary Clubs, businesses, or individuals to help offset the cost of the September 2025 flight. You will be recognized in print material, social media and at District events.
