This Week's Speakers:

Stacey Holland & Kimberly Sinicropi from COHatch

COhatch is an innovative community space that features coworking, private offices, meeting rooms, and event space. With locations across the U.S., and their newest space coming soon to Powell at the end of 2025, they have fun amenities like sports simulators, movie theaters, game rooms, rock climbing walls, and more. COhatch offers scholarships to local nonprofits and startups at every location, as they know how important it is to drive community innovation, development, and impact! Offices and coworking memberships are available now, along with our Founding Member discount! Reach out to powell@cohatch.com to get started and learn more.

Service Project: People in Need

Special thanks to Tom Kleven and Jo Sexton for volunteering their time on July 21st helping to pack school shoe gift cards. Our club was the Presenting Sponsor to People In Need as they supported the United Way Scholars Program. Our donation of \$4,000 allowed PIN to purchase 100 school shoe gift cards that were distributed to families on July 24th.

Volunteer Opportunities for Zone Institute

The 2025 Rotary Zone Institute in Columbus (September 2–7) is fast approaching, and we're excited to welcome

fellow Rotarians from Zones 30 & 31 to our great city. As hosts, we have an opportunity to make a lasting impression—and we need your help to make it happen!

The event will be taking place at the Hyatt Regency in downtown Columbus. These volunteer opportunities are similar to those that many of you have done with the All Ohio PETS event. A great time to support Rotary and to meet many new friends.

We're currently looking for volunteers to assist with:

- **Registration Desk** (*greeting attendees and distributing their badge and welcome gifts*)
- **Sergeant-at-Arms** (*greeting attendees, directing them, and ensuring everyone feels welcome*)

A Sign-Up Genius has been created outlining specific roles and needs. If you're available and interested in being part of this exciting event, we'd love for you to sign up. Feel free to extend the invitation to your spouse, partner, or friends who may also be attending and want to lend a hand.

Rotarians and friends of District 5830,

Our neighbors in District 5840 have been devastated by catastrophic flooding in the Texas Hill Country. The Guadalupe River surged over 30 feet, tragically taking dozens of lives and leaving widespread destruction in Kerrville and surrounding communities. Kerrville is home to two of our fellow Rotary Clubs, and they need our help now more than ever. As part of Rotary's commitment to **"Service Above Self,"** we in District 5830 have an opportunity—and a responsibility—to stand with them during this unimaginable time.

Rotary District 5840 is now accepting **tax-deductible donations** through their 501(c)(3) Foundation to support critical disaster relief efforts.

We're working closely with District 5840 and the Rotary Clubs of Kerrville to ensure that aid is directed effectively and responsibly.
