### This Week's Speaker:

**Saundra McBrearty from Preservation Parks of Delaware County**

Saundra brings over two decades of dedicated service to Preservation Parks of Delaware County as their Outreach and Volunteer Specialist. She has been instrumental in establishing and cultivating the park district's volunteer program, which thrives under her leadership with a team of 200 volunteers. Saundra's passion for volunteerism and nature education is evident in her work, driven by her Bachelor's degree in Environmental Education, Interpretation, and Communication from The Ohio State University. Saundra's commitment to community service extends beyond her professional career; she served as a Peace Corps Volunteer in Honduras following her university studies.

### Sponsorship Opportunity: NFL Raffle Tickets

Our annual Football Fever fundraiser is right around the corner. We are looking for a company sponsor for this year's fundraiser. Please contact Jason Barlow if your company, or if you know of a business, that would be interested in supporting the community and getting their name/logo in front of over 500 people.

### Volunteer Opportunities for Zone Institute

The 2025 Rotary Zone Institute in Columbus (September 2–7) is fast approaching, and we're excited to welcome fellow Rotarians from Zones 30 & 31 to our great city. As hosts, we have an opportunity to make a lasting impression—and we need your help to make it happen!

The event will be taking place at the Hyatt Regency in downtown Columbus. These volunteer opportunities are similar to those that many of you have done with the All Ohio PETS event. A great time to support Rotary and to meet many new friends.

We're currently looking for volunteers to assist with:

- **Registration Desk** (*greeting attendees and distributing their badge and welcome gifts*)
- **Sergeant-at-Arms** (*greeting attendees, directing them, and ensuring everyone feels welcome*)

A Sign-Up Genius has been created outlining specific roles and needs. If you're available and interested in being part of this exciting event, we'd love for you to sign up. Feel free to extend the invitation to your spouse, partner, or friends who may also be attending and want to lend a hand.

## Urgent Call To Action: Support Flood Relief In Texas

Rotarians and friends of District 5830,

Our neighbors in District 5840 have been devastated by catastrophic flooding in the Texas Hill Country. The Guadalupe River surged over 30 feet, tragically taking dozens of lives and leaving widespread destruction in Kerrville and surrounding communities. Kerrville is home to two of our fellow Rotary Clubs, and they need our help now more than ever. As part of Rotary's commitment to **"Service Above Self,"** we in District 5830 have an opportunity—and a responsibility—to stand with them during this unimaginable time.

Rotary District 5840 is now accepting **tax-deductible donations** through their 501(c)(3) Foundation to support critical disaster relief efforts.

We're working closely with District 5840 and the Rotary Clubs of Kerrville to ensure that aid is directed effectively and responsibly.
