Where do snowmen put their money? Snowbanks.

If your driveway and sidewalk look anything like mine, the snowbanks are everywhere! With a little luck, maybe we'll even find some long-lost cash when they finally melt in a month or so. Until then, I hope everyone is staying warm and gearing up to brave the elements for a little Rotary fellowship on Thursday. Stay warm, y'all!

THIS WEEK - January 29, 2025

Program: This week's presentation, The Possibility of Joint Adventures, will explore future international projects and how Rotary clubs can collaborate across borders for greater impact. Our discussion will be led by Terry Rataiczak, District Governor for the 2026–2027 Rotary Year, alongside President Elects Tasha Werry of Marietta Noon Rotary, Jona Rinard of Marietta Morning Rotary, and Susie Warman of Belpre Rotary. Together, they will share ideas, opportunities, and practical insights on how joint international efforts can strengthen our local Rotary club's global reach and impact.

LAST MEETING - January 22, 2025

ANNOUNCEMENTS:

- **Rotary for Reading 2026** - We are gearing up for Rotary for Reading 2026. This will again be a districtwide initiative, and our club will be supporting the Dolly Parton Imagination Library as part of that effort.
- **Brick Project Update** - President Roush provided an update on the brick project. We have 110 bricks that need to be removed on Saturday, February 7th at 2:00P. If you can help, we would greatly appreciate it.
- **Thank you to all the NGSE volunteers.** David Vandenberg offered his praise and appreciation for the 25+ Rotarians who pitched in to help make the Brazilian NGSE visit a resounding success. From transportation to hosting to food and beverage, it was truly a team effort and a lifetime memory for all involved.

PRESENTATION: Gretchen and Hayden Flinner shared a personal and inspiring look at their journey, from high school sweethearts to pursuing college in different regions of the country, and ultimately finding their way back together through marriage and shared purpose. They spoke about launching a mobile hearing clinic to serve communities in our area, blending professional passion with a desire to make a meaningful local impact. Throughout their remarks, the depth of their commitment to their work, to service, and to one another was unmistakable, leaving a strong impression on the room. Great job, Gretchen and Hayden!
