What is a snowman's favorite seasoning? Chilly flakes.

At this point, you may be more fed up with the winter weather than with my dad jokes about it! It looks like we have one more week to tough it out before things begin to thaw. In the meantime, let's gather for a little fun and fellowship this Thursday. Let the warmth of our club help melt away the winter doldrums!

THIS WEEK - February 5, 2025

Program: This week's presentation features Amy Buchman, Warren High School Counselor, who will be joined by several students sharing their experience with *Students Solving Problems*, a hands-on program that empowers students to tackle real issues in their community. They will talk about the challenges they identified, the solutions they developed, and what it's like to turn ideas into real impact. Come hear directly from these students and see how youth leadership and problem-solving are making a difference right here at home.

Attendance: Laura Miller

Ticket Sales: Tiffany Neil

Greeter: Tammy Bates

Invocator: Deana Clark

ANNOUNCEMENTS:

- **Rotary for Reading 2026** - We are gearing up for Rotary for Reading 2026. This will again be a districtwide initiative, and our club will be supporting the Dolly Parton Imagination Library as part of that effort.
- **Brick Project Update** - President Roush provided an update on the brick project. We have 110 bricks that need to be removed on Saturday, February 7th at 2:00P. If you can help, we would greatly appreciate it.

PRESENTATION: Last week's presentation, The Possibility of Joint Adventures, offered an engaging look at how Rotary clubs can collaborate on future international projects for greater collective impact. Terry Rataiczak, along with Tasha Werry, President-Elect for our club, Jona Rinard, President-Elect for Marietta Morning Rotary, and Susie Warman, President-Elect for Belpre Rotary, each shared their club's past experiences with international projects, highlighting lessons learned and best practices. The discussion emphasized the value of partnership, shared resources, and aligned goals when working across borders. The meeting concluded with members completing a survey that will help guide the next steps toward a potential joint international project, ensuring future efforts reflect shared interests and maximize impact.
