*I don't always tell construction jokes... but when I do, I nail them.*

I was hoping to “nail” a few decking boards at the Habitat for Humanity project in Beverly this weekend, but instead, I painted myself into a corner and I have the paint splatter on my clothes to prove it! Thank you to everyone who demonstrated “Service Above Self” this weekend. We certainly left our mark on the project and on the Barry family.

### **THIS WEEK - April 16, 2026**

**Program:** This week, we look forward to welcoming Mr. Shane Hostutler, Executive Director of Wood County Christian School, as our speaker. Shane will share his perspective on “*Community, we are better together,*” drawing on his experience in education, leadership, and building strong, values-driven organizations. His message will center on the power of collaboration, connection, and investing in one another to strengthen our communities. ## LAST MEETING - April 9, 2026

### ANNOUNCEMENTS:

- President Roush announced **the Golf Outing will be held on May 8**. If you are interested in contributing a corporate-branded item for the golfers' swag bags, please begin bringing those in as soon as possible.
- Also, for the outing, we are collecting spirits and wine for the putting challenge. Donations of either bottles or cash are appreciated. Please bring items to the next meeting.
- **Upcoming Service Project:** Downtown clean-up with Marietta Main Street on April 18. A sign-up sheet is circulating, or you can notify President Roush or Jen Tinkler directly.

**SGT @ Arms:** President Jesse Roush was unofficially deputized by Judge Randal Jedlink to handle Sgt. at Arms duties in his absence. Jesse promptly filled a small wheelbarrow with one-dollar bills, collecting from anyone who had ever had a speeding or parking violation.

**Program:** Our club had the pleasure of hearing from George Goddard, Executive Director and Security Officer of the Washington County Behavioral Health Board, who spoke about the organization's mission to improve access to mental health services for Washington County residents. He shared valuable insight into the signs and symptoms of mental health challenges, along with an overview of how services are funded and delivered in our community.

Mr. Goddard encouraged members to consider how their workplaces can become "recovery-friendly" by sharing information on available providers and support groups, connecting with local organizations like WCBHB, and establishing policies that support employees in recovery. He also highlighted the opportunity to pursue state certification as a recovery-friendly workplace. Thank you, Mr. Goddard, for an educational and informative presentation.

**Split the Pot:** Daily: \$41

**Jackpot:** \$112

**Winner:** Matthew Livengood, daily only. Game goes on!
