## Meeting Recap - Dr. Michael Imburgia, Have a Heart Clinic

Our featured speaker on Thursday was Dr. Michael Imburgia, Founder of [Have a Heart Clinic](#). He spoke about the inequities in healthcare by race, income and insurance status as well as the incredible work the Have a Heart Clinic does. You can view the meeting slides (large file) [HERE](#).

We also presented the **2022 Lifetime Service Award** at Thursday's meeting. The Rotary Lifetime Service Award is given to Rotarians who have demonstrated - across their years of service - faithful and consistent adherence to the tenets of the 4 way test in pursuit of Rotary's values in one or more of these four avenues: club service, vocational service, community service, international service. This year's recipient, **Susan Zepeda**, exemplifies Rotary's values in all of these ways and is an exemplary model of service above self.

# "Saving Our Rivers" Event - Saturday, April 23

By Jean West

Join us on Saturday, April 23 from 9:00 am - noon as we team up with Kentucky Waterways Alliance for a Storm Drain Marking Volunteer Project in Crescent Hill in celebration of Earth Month 2022. Volunteers will affix curb stickers to storm drains on Frankfort Avenue and surrounding residential streets to alert citizens that items entering the drains empty directly into Beargrass Creek, which drains to the Ohio River. Materials such as street litter, oil, grass clippings, pet waste, chemicals, fertilizers, and other pollutants that enter the drain untreated end up polluting our waterways.

Volunteers will meet at the KWA/Rotary table at the St. Mark's Episcopal Church parking lot, 2822 Frankfort Ave (we have permission to park in the church parking lot). There will be a brief introduction, welcome, educational info about the project, safety talk, then teams will be assembled and given maps and supplies.

Pre-registration required [HERE](#).
