Note from Delene | In This Issue

Rotary Family,

What a beautiful Easter Sunday! To those who celebrate, I hope you are having a wonderful day.

Happy birthday to Rotary founder, [Paul Harris](#), born April 19, 1868.

April 20-26 is [Administrative Professionals Week](#); please take a minute to send a note (admin@louisvillerotary.org) or tell our fabulous **Tracy Peck** how much you appreciate her!

Remember there is NO REGULAR MEETING on May 1st.

If you have not picked up your [Day at the Downs](#) physical tickets yet, please plan to do so or arrange for someone else to get them on Thursday between 10:30 am - 2:00 pm at the University Club. Make sure you have thoroughly read the email I sent out recently with many of the details you will need to know. Note: I do not yet have any further information on parking but hope to in the next couple of days.

I want to remind everyone that you can access meeting/event information and RSVP links on the Home screen in [DaCdb](#) and on our website louisvillerotary.org (scroll down on the home page) anytime. Most of the same stories are in all three places, so you don't need to wait for Sparks to be published, as I know it can be sporadic at times.

April 24th Meeting: Jimmy Kirchdorfer, ISCO Industries

The April 24th meeting at noon at the University Club will feature **Jimmy Kirchdorfer**, CEO, [ISCO Industries](#).

"Pipe Dreams"

ISCO CEO Jimmy Kirchdorfer, a member of the Kentucky Golf Hall of Fame, discusses how his family business in golf course irrigation grew

into a global piping solutions provider, and at the same time helped bring professional golf to Louisville. From purchasing Valhalla in 2022, hosting the 2024 PGA Championship, landing the 2028 Solheim Cup, and becoming the title sponsor of the ISCO Championship (a PGA Tour event to be held at Hurstbourne Country Club this summer), Jimmy will share about the journey of bringing professional golf to his hometown.

The buffet opens at 11:30am and the program begins at noon. The menu is spaghetti with meatballs; a salad with grilled chicken or a vegetarian/vegan and/or gluten-free option is available upon advance request.

Please register by Monday, April 21st [HERE](#).

**Come a little early if you are interested in getting the scoop on Rotary Grants (see next story).

There is a \$5 meeting fee for those who choose not to purchase a meal - this will include a dessert and tea/coffee/water and, of course, a fantastic program. You can pay \$5 cash, check or scan the QR code at check-in to pay with a credit card.

Pre-Meeting Learning Opportunities with Our New Assistant Governor

TL;DR Come at 11:30 am for lunch on Thursdays, and learn about: **Grants** (April 24) and **Rotary Youth Exchange** (May 15)

You may recognize our new District 6710 Assistant Governor for Area 9: **Rick Harned**.

Rick was planning to begin his term in July, but has agreed to step in a little early to allow the current AG to focus on his health. Assistant Governors serve as a liaison to the District for the clubs in their area and as an additional resource and connector for those clubs.

One of the topics that Rick and I discussed on our shared ride back from the President-Elect Training Seminar (PETS) in Chattanooga last month was the wealth of knowledge and perspective that some of our longer-term members have. We tossed around some ideas about how to make that information available to members who might have an interest in a specific area, but aren't sure who or even what to ask. We decided to try something new and see how it works.

Rick will host a table at some of our upcoming regular meetings for members who want to learn about that week's topic. Just show up around 11:30 when the buffet opens, grab your meal, and go sit with Rick. You'll get a better parking space, less of a line, and some useful knowledge!

The first opportunity will be **Thursday, April 24th**, and the topic will be focused on **Grants**. This won't be a training session, but just a casual conversation while you eat about how grants work in our local club, our district and globally; who can apply; what types of grants are likely to be approved, how they are funded, etc. It will last about 15–20 minutes, until our meeting begins.

We'll do it again on **Thursday, May 15th**, discussing the **Rotary Youth Exchange program**: short-term and long-term exchanges, inbound and outbound programs, who is eligible, host family responsibilities, etc.

No need to RSVP or sign up...just set an alarm on your phone to leave a little early for Rotary. If you are interested in a topic but can't make the meeting that day, just let us know.

April 10th Meeting Recap

The April 10th meeting at the University Club featured Deborah Bilitski, President & Executive Director of Waterfront Park. **President-Elect Ken Selvaggi** shared the invocation and **Herbert Johnson** led the pledge and 4-Way Test. Waterfront Park Board Secretary **Kevin Fields, Sr.** introduced Deborah.

You can view the recording on our [YouTube channel](#) and view the slides [HERE](#). Click [HERE](#) for the recent Sparks story about Playport. Provide feedback about the meeting [HERE](#).

April 17th Meeting Recap

The April 17th meeting at the University Club featured Deputy Mayor David James & Misty Wright, Executive Director of Community Safety. **Steve Rungwerth** shared the invocation and **Darrell Fuller** led the pledge and 4-Way Test. **Fred Cowan** presented an update on the work of our Gun Violence

Reduction Subcommittee (of the Community Impact Committee) and was presented with the Rotary Service Above Self Award by **Jean West** (see story [HERE](#)) before introducing the speakers. Our Club was the first to hear the presentation about the [SAFE LOUISVILLE](#) Comprehensive Violence Reduction Plan, [announced at a news conference](#) just a few hours prior to our very timely meeting.

Also at the meeting, **Alisa Gray**, Chair of the Lifeline Committee, presented a "big check" to **Lisa Schardein** and **Karen Buchanan** with First Hour Grief Response (see story [HERE](#)).

You can view the recording on our [YouTube channel](#). Provide feedback about the meeting [HERE](#).

Service Above Self Award Presented To Fred Cowan

By Karen Morrison

It's such a challenge when considering recipients for the Rotary Service Above Self award, because all of us, as Rotarians, are ALL about "Service Above Self." In fact, for most of us, that is the driving force behind our participation in Rotary. We serve on committees and do philanthropic good with gifts of time and treasure. We make a difference within this club, in our greater community, and indeed around the world with some of our

international work.

There are some Rotarians that just stand out even among great servant leaders. **Fred Cowan** is one of those people.

Past President Jean West presented the award at our April 17th meeting. You can listen to her remarks [HERE](#).

"Big Check" Presented to First Hour Grief Response

By Alisa Gray

Larry Sloan and I were pleased to present a "big check" to **Lisa Schardein** and **Karen Buchanan** with First Hour Grief Response, for a grant sponsored by our Lifeline Committee to support grief therapy for youths who have experienced trauma due to violence. You can see the remarks by Karen and Lisa in the recording [HERE](#) and view the slides [HERE](#). Learn more about the youth workshops and other grief services [HERE](#).

Member Update from Our Gun Violence Reduction Committee

Our meeting last week with Misty Wright and Deputy Mayor David James, organized by our Gun Violence Reduction Committee, could not have been more timely! Just a few hours prior to the meeting, Rotarians **Whitney Austin**, **Amy Luttrell**, **Rena Sharpe**, and **Jennifer Hancock** were in the spotlight at the Mayor's news conference announcing the new [SAFE LOUISVILLE](#) Comprehensive Violence Reduction Plan, which has a goal of a 15% reduction in violence each year for the next five years. Click [Read More](#) below for the Executive Summary or to download the full plan, or watch the full

announcement [HERE](#).

Come Read With 8th Grade Boys at West End School

By Walt Kunau

We began our annual Middle School Literacy Service Project at the [West End School](#) last Tuesday, reading [Malcolm X: By Any Means Necessary](#) (books are provided) with a class of 8th grade boys. Thanks to **Rick & Mary Ellen Harned, Jean West, Bob Nesmith, Rensha Allen, Mike Brumleve, and Delene Taylor** for joining us.

Our scholars kicked off our time by saying their creed. Delene said it gave her chills! You can see students reciting the creed and hear from one of the 8th graders that read with us - Noah Hunter - in this [WLKY story](#). Included in the story is an interview with the Head of School and Rotary Club member **Dr. Greg Ross**. Click Read More below to see the names of the students and where they plan to attend high school.

Did you know that the WES Library was named after Mike's dad, **Ben Brumleve**, who served on the Board of the school and was a member of our Rotary Club for many years?

I am very proud to serve on the board and encourage more folks to get involved. In addition to volunteer hours, we support the school with a grant, which our District 6710 matches!

We will meet the next few Tuesdays from 9:50-10:35 am; email me at wkunau@bellsouth.net or call 502-262-2792 to sign up.

Thank You, Rotary Club! Together we are creating a world of Health & Hope

Hello Delena,
The team at SOS wants to thank you for taking the time to volunteer at our headquarters. Your group helped SOS so that we can now help send life changing and life saving supplies worldwide. Thank you so much for all the help you provided.

You helped us saved 2,400 bottle nipples and 2,000 mesh briefs and prepare them to be packed on our next 2 OB-GYN pallets on that will go on to impact over 1,000 lives. These supplies would have gone on to the landfill, but instead you have them a second life and the power to go on and save a life.

The next 2 containers that will receive OB-GYN containers are our Zambia container and our Benin container. We have also very recently sent supplies to Senegal that is currently on its way!

We look forward to having you again to volunteer and we hope to stay connected with each of you.

Please know that the time you gave is truly changing and saving lives.

Sincerely,
Sarah Mayer
Volunteer Manager
