KHS CARE-a-van Day at LCCC

By Alisa Gray

Rain didn't stop these amazing pet owners from taking advantage of the Rotary-sponsored Wellness Day at the Kentucky Humane Society's CARE-a-van in partnership with Louisville Central Community Center! Over 50 pets and their owners waited comfortably in their cars before switching over to the mobile vet unit for an extremely quick and efficient wellness appointment, which included a variety of vaccines and even microchipping if needed. It's truly heartwarming to see so many people committed to caring for their pets — and to help alleviate the burden of high veterinary costs. Thank you so much for supporting this wonderful service project!

Thank You, Rotary Club!

Together we are creating a world of Health & Hope

Hello Delene,
The team at SOS wants to thank you for taking the time to volunteer at our headquarters. Your group helped SOS so that we can now help send life changing and life saving supplies worldwide. Thank you so much for all the help you provided.

You helped us saved 2,400 bottle nipples and 2,000 mesh briefs and prepare them to be packed on our next 2 OB-GYN pallets on that will go on to impact over 1,000 lives. These supplies would have gone on to the landfill, but instead you have them a second life and the power to go on and save a life.

The next 2 containers that will receive OB-GYN containers are our Zambia container and our Benin container. We have also very recently sent supplies to Senegal that is currently on its way!

We look forward to having you again to volunteer and we hope to stay connected with each of you.

Please know that the time you gave is truly changing and saving lives.

Sincerely,

Sarah Mayer
Volunteer Manager
