Walt's Words of Wisdom

Hello Rotarians:

It's time for me to round third and head for home! My year as Rotary President is nearing its end. I want to thank everyone for this high honor! I had no idea how much fun this could be! And this week our program features Tom Hallion, Major League Umpire. Baseball is my favorite sport and the only one that I excelled in – (we are all legends in our own minds!). Come to the meeting and you will hear another Walt story involving Hamerin' Hank Aaron and Rotarian in his heart Humanitarian Roberto Clemente. It's a head scratcher! There are a couple more surprises too!

WWW:

When I stepped into the box, I felt the at-bat belonged to me. Everybody else was there for my convenience. The pitcher was there to throw me a ball to hit. The catcher was there to throw it back to him if he didn't give me what I wanted the first time. And the umpire was lucky that he was close enough to watch.

Reggie Jackson

I never questioned the integrity of an umpire. Their eyesight, yes.

Leo Durocher

Judges are like umpires. Umpires don't make the rules. They apply them. The role of an umpire and a judge is critical. They make sure everybody plays by the rules. But it is a limited role. Nobody ever went to a ballgame to see the umpire.

John Roberts

The most cowardly thing in the world is blaming mistakes upon the umpires. Too many managers strut around on the field trying to manage the umpires instead of their teams.

Bill Klem

The best umpired game is the game in which the fans cannot recall the umpires who worked it.

Bill Klem

I made a game effort to argue but two things were against me: the umpires and the rules.

Leo Durocher

Life is good!

Walt

Re:Center Ministries Dinner: May 24

By Larry Sloan

Our fourth Wednesday monthly meal at Re:Center Ministries will be next Wednesday, May 24th at 5:30pm. Please join us to set up the meal at 5:00 pm. Typically, I bring meat loaf, scalloped potatoes and steamed vegetables. Others supply the soft drinks, bread/rolls, salad and desserts of fruit pies.

The men we serve are going through the LifeChange program recovering from addiction. Those of us who do this regularly always feel like we get more out of it than the effort we put into it. Our club has supported this program with funds and volunteers since 2015. We would love to see some new faces! Contact me at larry.sloan@yahoo.com or David Snyder at davids@ndhc.org for more information or to sign up.

Opportunity: Rain Harvest Dam Construction Project in India

By Roland Blahnik

Fellow Rotarians,

There is a wonderful opportunity to go to India and work on a Rotary project to construct a Rain Harvest Dam. It is likely to be an amazing, perhaps life-changing, experience. You will also visit some of India's top attractions, like the Taj Mahal and the Agra Fort, and finish up in Kathmandu. Arrive in India October 20, 2023, and leave for home November 10, 2023. See the itinerary and details [HERE](#).

Trips like this led to my involvement in Kenyan projects, and my current efforts to participate in an Indian project like you will experience in India.

Please contact Elias Thomas ethomas@metrocast.net to arrange your attendance. If you would like to talk with me about my two experiences resulting in working with Kenya and working on starting projects with India, reach out to me at: rrblahnik@yahoo.com or 502-553-1955.
