Walt's Words of Wisdom

Hello Rotarians:

Last week Dr. Marty Pollio, Superintendent of Jefferson County Public Schools, showed his passion for all students in our city. He not only cares about the kids, he works to make their school experience better. He outlined his strategy. Watch it on [our YouTube channel](#) – you will be glad you did!

Craig Scherman hosted “the” Rotary party of the summer! Even though the weather interfered a bit, everyone enjoyed the beautiful artwork, excellent music, and tasty food and beverages. Most were able to spend a few minutes outdoors enjoying the incredible scenery. And of course...the company and conversations were terrific. Check out the photos below. Thank you Craig!

Our speaker this week, Hannah Drake, will challenge us. She is a poet who speaks to those in positions of power and privilege. Her well-known work, *Spaces*, will shake you. We still have a couple of meals available, so email rotary@rotary45.org if you would like to join us.

A poet's work ... to name the unnamable, to point at frauds, to take sides, start arguments, shape the world, and stop it from going to sleep. —Salman Rushdie

Poetry is language at its most distilled and most powerful. —Rita Dove

Poetry is the lifeblood of rebellion, revolution, and the raising of consciousness. —Alice Walker

Poetry is one of the ancient arts, and it begins as did all the fine arts, within the original wilderness of the earth. —Mary Oliver

Life is good!

Opportunity: Rain Harvest Dam Construction Project in India

By Roland Blahnik

There is a wonderful opportunity to go to India and work on a Rotary project to construct a Rain Harvest Dam. It is likely to be an amazing, perhaps life-changing, experience. You will also visit some of India's top attractions, like the Taj Mahal and the Agra Fort, and finish up in Kathmandu. Arrive in India October 20, 2023, and leave for home November 10, 2023. See the itinerary and details [HERE](#).

Trips like this led to my involvement in Kenyan projects, and my current efforts to participate in an Indian project like you will experience in India.

Please contact Elias Thomas ethomas@metrocast.net to arrange your attendance. If you would like to talk with me about my two experiences resulting in working with Kenya and working on starting
