## Club of Louisville

### Note from Delene | In This Issue

Rotary Family,

Whew! What a busy month this has been as we have welcomed new members, honored past presidents at a special dinner, enjoyed fellowship at the annual Scherman Summer Social, recognized members for service and contributions, closed out another grant cycle, and received over 30 submissions from committees for 2025-2026 service projects and grants.

President-Elect Ken Selvaggi, President Nominee Barbara Sexton Smith, Rick & Mary Ellen Harned, Thom Crimans, and I had a fantastic and inspiring trip to Calgary for the Rotary International Convention - you'll hear more about that in the next Sparks. The timing in late June compressed the hours available for the many tasks related to the end of the fiscal years for our Club and the Rotary Fund, along with the annual leadership changeover, and all the regular club business, which is why I am scrambling in a race against time on my last day of vacation here with my daughter in Spokane, Washington to get this out before DaCdb and Rotary International shut the systems down for the year-end rollover.

So...look for posts in the next edition about the events and activities I haven't covered yet, let me know of upcoming committee meetings or other dates that are missing from the calendar, and forgive any errors or omissions.

Remember, we do not have a meeting this Thursday, July 3rd, due to the Independence Day holiday. I look forward to seeing everyone on July 10th!

## It's Time to Make Your Annual Contributions

By Amy Luttrell

If you haven't already done so for this Rotary fiscal year ending TODAY, please make your annual contributions:

**\$100.00** to our local **Rotary Fund of Louisville** EIN 61-6029858: Click [HERE](#).

This is our local 501(c)(3) foundation that funds the majority of our Club's service projects and grants each year, including our Rotary Honors Scholars and Unsung Heroes programs and scholarships, our Interact Clubs at Western and Iroquois High Schools, our Rotary Leadership Fellows program, the annual speech competition, the monthly meals we serve at Re:Center Ministries, Imagination Library, our sponsorship of refugee families, our reading program at West End School, our Habitat for Humanity and Repair Affair projects, the West Louisville Housing Initiative, and international projects like the Ghana clean water and sanitation project, riverbank filtration wells in Egypt, malaria treatment for mothers and children in Uganda, and clean water and restroom facilities in schools in El Salvador. You can read about our service projects [HERE](#).

**\$100.00** to **The Rotary Foundation** (international organization): Click [HERE](#).

This is the international foundation that funds Rotary's effort to eradicate polio and provides matching funds for the global grants listed on our [website](#) (scroll down to the International section) that we support. The Rotary Foundation is also the source of district matching grants that we benefit from each year for projects like Habitat for Humanity and the West End School literacy program. Your donation to [The Rotary Foundation](#) has an impact both globally and locally!

We ask that each member contribute \$100 or more to each foundation. If you are simply unable to donate at that level, please contribute what you can - we would love to be able to say we have participation from all of our members. The payment forms linked above default to \$103 (the additional \$3 helps cover some of the merchant fees we are charged), but you can click the "Change Amount" button to adjust the amount.

If you have already made your contributions this Rotary year (July-June) or plan to donate via another method, THANK YOU!

## Service Above Self Award Presented To Vernon Foster

By Ashley Brauer

At our last meeting, I had the distinct privilege of presenting the *Service Above Self* Award to **Vernon Foster**. It's one of the most meaningful recognitions in Rotary.

Vernon has been the driving force behind the transformation of our Rotary Leadership Fellows Program. His tireless dedication, mentorship, and vision have redefined how we cultivate the next generation of leaders from the University of Louisville College of Business Graduate Programs's MBA program.

From personally meeting with every candidate to hosting interviews and guiding the entire selection process, Vernon

exemplifies what it means to lead with purpose and heart. His commitment to

Rotary's core values has made our club stronger and our community better.

Vernon, thank you for your unwavering service and leadership. You truly embody the spirit of "Service Above Self."

## Rotary Leadership Fellows Celebration & Welcome

By Ashley Brauer

One of the most meaningful things I do is chair the Rotary Leadership Fellows program. The three-year fellowship is designed to develop the next generation of leaders and help them grow roots to stay here in Louisville.

At our meeting last week, we celebrated **Eric Gurevich** and **Antigone Mehani-Asghari** for completing the program.

We welcomed **Demarco Harris**, **Catherine Thompson** and **Aaron DuVall** as new Fellows.

Our continuing Fellows are **Tonya Augustine**, **Amalia Maciel Gamez Guerra**, **Danielle Lavender**, **Matthew Molter**, **Maggie Roth**, and **Woo Smith**.

The Rotary Leadership Fellows Program is more than a leadership pipeline — it's a community of purpose-driven leaders shaping the future of Louisville.

## **Repair Affair Service Project: Paint, Sweat & Elbow Grease!**

By Alisa Gray

Several Rotarians volunteered with New Directions' Repair Affair on Saturday, June 21. Thanks to a lot of paint, sweat, and elbow grease, the team was able to seal a wheelchair ramp and deck for community members in need. This is one of the hands-on service opportunities supported by the Lifeline Committee a few times each year. Keep an eye out for fall dates—we'd love your help and promise to put you to work!

## Our Interact Clubs are Prepping for the School Year

By Linda Bartrom-Moore

What happens during the school year is dependent on the planning that happens during the summer! Our Interact clubs now have regular planned projects that they can advertise to their school communities.

## Thank You, Rotary Club!

Together we are creating a world of Health & Hope

Hello Delena,

The team at SOS wants to thank you for taking the time to volunteer at our headquarters. Your group helped SOS so that we can now help send life changing and life saving supplies worldwide. Thank you so much for all the help you provided.

You helped us saved 2,400 bottle nipples and 2,000 mesh briefs and prepare them to be packed on our next 2 OB-GYN pallets on that will go on to impact over 1,000 lives. These supplies would have gone on to the landfill, but instead you have them a second life and the power to go on and save a life.

The next 2 containers that will receive OB-GYN containers are our Zambia container and our Benin container. We have also very recently sent supplies to Senegal that is currently on its way!

We look forward to having you again to volunteer and we hope to stay connected with each of you.

Please know that the time you gave is truly changing and saving lives.

Sincerely,

Sarah Mayer  
Volunteer Manager
