Club of Louisville

Note from President Kevin Lynch

Hello Rotarians,

Starting this week, our luncheons will be held at U of L's University Club. Come to this week's luncheon and be inspired by our speaker, **Shawn Dawley**, President of OT2 Consulting. The title of his talk is "***Embrace the Hardship***." I'm pretty confident Shawn is our only speaker who has flown in Thunder Over Louisville several times. He has also been on Air Force One, although, technically, it was not Air Force One since one of the regular passengers (the President of the United States) was not on the plane at the time.

Note from Delene

I am excited to see everyone tomorrow...we're ready for you!

Just a couple of things to share about our new meeting location.

We will be at the University Club Louisville, 200 E Brandeis Avenue. If you are coming from I65, after you pass the traffic circle at S Floyd St and E Brandeis Ave, you will turn left on S 1st Street (Manual HS will be on your right). It dead ends at the Information Center and you will turn left there, onto E Brandeis Ave. Don't be confused by two roads with the same name. Follow the yellow arrow in the image below to the parking lot. The gate will rise as you approach it; ignore the signs about restricted parking.

Once you come in the building, go to your left; we will be in Ballroom A. Check in and get your meal ticket if you purchased lunch; the buffet will be set up in an adjoining room. The table you see at the front below is for those who have purchased a salad with grilled chicken. The tables on the left and right are for those who purchased the regular buffet option; please grab your plate and help yourself. The desserts will be on the counter at the back. If you did not purchase a meal, feel free to go ahead and pick up your dessert and find a seat. Water and tea will be on the tables and coffee service will be in the main room. If you purchased a gluten-free or other special meal, just let me or Tracy know where you are sitting and a server or the chef will deliver it to you.

If you have any issues, we will do our best to address as swiftly as possible.
