

Rotary Club of Louisville

Note from Delene | In This Issue

Rotary Family,

I am finally "coming up for air" after an incredibly jam-packed couple of months. I appreciate your patience as I have juggled the many special events and tasks related to the fiscal year-end and board/committee leadership transitions for both our club and our foundation, the new service projects and grants cycle, the Calgary convention, vacation, illness, onboarding 22 new members, helping organize the Zone Summer Leadership Seminar, planning for our Leadership Retreat, the annual State of the City address, and the Tri-District Conference with Indiana and Tennessee in May and many, many requests from members each week, all in addition to the normal weekly work of Rotary. Something had to give, and documenting it all had to take a backseat to the actual DOING (and sleep).

I'm very excited to report that our club is now the **12th largest Rotary Club in the world**, and the 8th largest in the United States! Our club is so active and impactful - I hope you all feel proud to be part of it!

Calgary Convention Highlights

By Delene Taylor

It is a challenge to do justice to any effort to summarize or provide highlights of a Rotary International Convention, but I want to preserve the experience and thought you might like to get a taste of what it was like and benefit from some of the wisdom and inspiration gained while there.

Who was there? Rotarians **Ken Selvaggi**, **Barbara Sexton Smith** (and her husband Lacey), **Rick & Mary Ellen Harned**, **Delene & Michael Taylor** and **Thom Crimans**. District Governor-Elect **Dorsey Ridley** and District Governor Nominee **Sherrill Smith** were there, along with several others from District 6710. We met up at the International Travel & Hosting Fellowship booth in the House of Friendship for a quick photo (*Ken was there - the photographer just zoomed in a little too much*).

Day 1

Sunday's opening general session in the Scotiabank Saddledome was actually TWO separate sessions to accommodate [16,000 Rotarians and participants from 140 countries](#) around the globe who came to Calgary to connect and learn how to take action to address issues in their communities.

A Rewarding Experience at the Zone Leadership Seminar

By Nick Garner

Last month, I had the pleasure of attending the Zone 30 & 31 Summer Leadership Seminar right here in Louisville. It was an incredibly valuable experience and a fantastic opportunity to connect with bright, engaged, and energized Rotarians from across our region. We spent the day sharing ideas on a crucial question: How can we maximize the impact of our service?

The seminar agenda was a perfect blend of information and action. We attended essential sessions on the workings of Rotary, which were balanced with dynamic, well-led workshops. These workshops focused on strengthening the entire Rotary lifecycle: improving our public image to grow our membership, which in turn allows us to maximize the impact of our projects.

I came away from the day with renewed enthusiasm for Rotary's mission and a great set of new connections with the wonderful people I met from neighboring districts. It reaffirmed a lesson I've learned many times in Rotary: while our weekly meetings are perfect for connecting with old friends, events like this are where you make new ones.

I can't recommend these experiences highly enough. If you have the opportunity, I strongly encourage you to attend the upcoming [Zone Institute in Columbus, Ohio](#), from September 4th to 7th.

Rotary Zones 30 & 31 Summer Leadership Seminar A Big Success!

By Delene Taylor

The Heart of America Zone 30-31 leadership team chose Louisville for a Summer Leadership Seminar on Saturday, July 19th.

Our Club helped host a social event for attendees on Friday evening. We convened at the Kentucky Derby Museum for a viewing of ***The Greatest Race*** film, followed by a guided track tour.

We then headed over to the Kentucky Science Center for a Kentucky-themed reception/dinner and a screening of ***City of Ali*** and Q&A with film director (and Rotarian) **Graham Shelby**. Despite the bar being open, hardly anyone moved during the 80-minute film. The story of how Ali's death brought people around the world together for one unforgettable week aligns so well with our messages of #UniteForGood and #ServiceAboveSelf!

In a message to the Vice President of Rotary International, **RI Director Brian Hall** said, "***It is a very powerful documentary, touching on humanitarian issues, racism, equality, and the legacy left behind by [Muhammad Ali]. I can honestly say that the documentary was incredibly moving and touched all of the Rotarians in attendance.***"

Several attendees took time, despite the heat, to visit the **Louisville Knot** and learn about our club's effort to bring unity to our city.

Thanks to our club members who joined us for this special evening!

Click [Read More](#) for highlights of the actual Leadership Seminar on Saturday, where **Rick Harned**, **Robert Chatham**, and **Nick Garner** joined me and 50+ others from 14 districts in 8 states. Nick shares his thoughts on the day [HERE](#).

Rotary Past Presidents' Dinner

It is a Club tradition for the President to host a dinner for past presidents each year...a special time of refreshment, reconnecting, and reminiscing. Jeff and Maureen Underhill opened their home for the event this year and were incredible hosts. Board members joined us for a delicious meal. President Lori rang the bell and shared remarks. Then each past president, in order, shared highlights and memorable moments from their year at the helm. The first to speak was 1997-1998 president **Paul Gold**, who noted it was the first time in all the years he had attended that it was his turn to go first. He set a high standard with a poem about **The Magic of Rotary** (click Read More to read it and see more photos).

We were fortunate to have two former Executive Directors join us: **Debe Skidmore**, who served in the role from 2012-2016 and came back briefly to assist in 2021. And **Patricia Hart**, who served in that role from 1986-2010. At our 75th anniversary celebration in 1987, she received a standing ovation when introduced as our Club's first female member.

Another Spectacular Scherman Summer Social!

Craig Scherman hosted our annual Summer Social at his home in Anchorage on Sunday, June 8th, where members and guests enjoyed dinner, an open bar, live music, spectacular weather, beautiful views, and great conversation. This event is typically the first or second Sunday in June, which can be a busy time of year, but block time for this if you can - it's a lot of fun, and every nook and cranny in Craig's home is full of incredible art.
