

Rotary Club of Louisville

Note from Delene | In This Issue

Rotary Family,

I am sending this from Hillsboro Beach, Florida, where I am thrilled to be sharing some girl time / downtime with my daughter and "mini-me" Hanna (who lives in Spokane). I will pop online occasionally next week, but I am going to make a real effort to avoid screens. Don't worry, Tracy will be available to help with anything meeting-related.

Tracy will be taking a few weeks off in September/October for a cruise and then traveling to several countries. As soon as she returns, P/E Barbara and I head to Dallas for the [Rotary Large Club Conference](#) from October 20-23, hosted by the Association of Rotary Club Executive Directors ([ARCED](#)).

You will see a new smiling face at check-in the next couple of months. [Amber Miller](#) will be stepping in to help while Tracy and I take turns being away. She is a professional event planner who some of you may remember from her time managing events for One Southern Indiana. We are very fortunate to have her, and she is interested in becoming a Rotarian, so please make her feel welcome! Watch for a more in-depth introduction post in a couple of weeks.

We want your feedback about our speakers. Please take a minute to click the link to the feedback survey at the top of the email you receive each Thursday/Friday. We've shortened it to only ONE required field. We just might be doing some prize drawings in the 4th quarter for those who complete the survey(s).

I'm pleased to share that the proposed [2025-2026 service projects](#) submitted by the Service Projects and Grants Committee have been approved by the Club Board and the requested funding for those projects has been approved by the Fund Board. You will hear more about the individual projects over the coming weeks, but just take a minute to click the link above and scroll down through the summary of the incredible impact we will have in our community and around the world this year!

I highly encourage you to read the district's [August newsletter](#) - it is full of great content; see how many articles you can find written by our members.

And finally, congratulations to Craig Scherman - one of our most devoted Rotary leaders for over 50 years - who was chosen as the Anchorage 2025 *Citizen of the Year* and [featured on the cover](#) of Stroll magazine for a lifetime of service and impact.

Rotary Leaders Focus on Engagement at Annual Retreat

Committee leaders gathered with Club and Fund directors at our annual Leadership Retreat, facilitated by Rotarian Cynthia Knapek at the Leadership Louisville Center. We talked about how the four priorities of the Rotary Action Plan provide the strategic framework to fulfill our vision of people of action uniting for good to create positive, lasting change.

OUR PRIORITIES

We know that realizing our vision requires a strategy. The Action Plan provides a structure to help us achieve that vision through four priorities:

INCREASE OUR IMPACT
Use evidence to define, measure, and analyze our projects to ensure that we're using resources effectively while making positive, meaningful, and lasting change.

EXPAND OUR REACH
Connect with new audiences who share our passion for service and for making change, and create innovative ways for them to experience Rotary.

ENHANCE PARTICIPANT ENGAGEMENT
Give people reasons to join Rotary and stay involved with us by providing meaningful experiences and opportunities to make connections, build skills, and serve communities.

INCREASE OUR ABILITY TO ADAPT
Embrace innovation and new perspectives that allow us to respond nimbly to the evolving needs of our communities, clubs, and members.

The **ROTARY ACTION PLAN**

Our focus for the retreat was on the third priority: **ENGAGEMENT**

Specifically - how to provide meaningful experiences, as well as opportunities for connections, skills/knowledge building, and rewarding service.

It was an evening of **ENGAGEMENT** for almost 50 club leaders, who shared meaningful experiences, had opportunities to develop or nurture connections, gained new ideas and tools to provide fellow Rotarians with more rewarding service AND are hopefully better equipped to communicate their impact story.

Participants developed a [Blueprint for Outstanding Committee Leadership to Engage Members](#), which you are encouraged to download and use to help develop your own personal plan of engagement or to

share your thoughts with President Ken, President-Elect Barbara and/or Delene on what matters most when it comes to member engagement.
