Note from President Kevin & Meeting Recap

You cannot listen to Dr. Nat Irvin without getting excited, inspired, and wanting to look to the future. The theme of his talk last week was, *"What Happens When Everything Changes?"* He said only each of us can answer that for ourselves and he challenged us to do that. What will we do when everything changes? Will we wait and watch it happen or will we try to anticipate and adapt early.

We are honored this week to have Major General Donn Hill, Commanding General, Security Force Assistance Command, U.S. Army as our speaker. His topic is *"This is Your Army: Representing the Nation We Defend."* He will share his own journey of military service and the experiences of the men and women who make up the U.S. Army. His talk will focus on the Army as a professional, all-volunteer force that represents the values of the nation it is sworn to defend.

Note from Delene

I am sad to say that I will miss seeing everyone tomorrow at the meeting, but excited about attending the [Rotary Zone Institute](#) in Memphis! For those that aren't familiar, Rotary International is organized into zones, comprised of districts. Our District 6710 is in what is known as the "*Heart of America*" (Zones 30 & 31), which includes 31 districts in 11 states with ~1,500 clubs and 63,000 Rotarians. Each year they host a Zone Institute which includes training for District leadership. Among our speakers this year will be RI President Gordon McNally, Rotary Foundation Chair Barry Rassin, Rotary Board Director Beth Stubbs, with a special keynote by Emmy Award-winning motivational speaker Rudy Ruettiger, whose dream of playing football for Notre Dame was immortalized in the 1993 blockbuster film [Rudy](#).

I didn't intend to miss two weeks in a row, but my daughter (who lives in Spokane, WA) and I have had a girls' trip to the beach scheduled for several months, so I will be on vacation September 27 through October 4.

You will be in good hands with Tracy (admin@rotary45.org), and several members have volunteered to help out as needed. I will be checking email periodically as well.

Next Week's Meeting - District Governor Tom Reed

Next week's meeting on Thursday, September 28, at the University Club will feature our **District Governor Tom Reed's** official visit.

Lunch is \$25 and the menu will be Chicken picatta, caprese salad, tiramisu; a salad with grilled chicken will continue to be offered, as well as a vegetarian/vegan and/or gluten-free option, all available upon advance request.

Re:Center Ministries Dinner: September 27

By Larry Sloan

Pictured: Kenya Wade, Ginger Wallace, Larry Sloan, Sandra Dodge, Brian Jackson

Please join us next Wednesday, September 27th at 5:30pm to serve and have dinner with the men at Re:Center Ministries. We set up the meal at 5:00 pm. Typically, I bring meat loaf, scalloped potatoes and steamed vegetables. Others supply the soft drinks, bread/rolls, salad and desserts of fruit pies.

The men we serve are going through the LifeChange program recovering from addiction. Those of us who do this regularly always feel like we get more out of it than the effort we put into it. Our club has supported this program with funds and volunteers since 2015. We would love to see some new faces! Contact me at larry.sloan@yahoo.com or David Snyder at davids@ndhc.org for more information or to sign up.

Rotary, Polio & Lou City FC

October 24 is World Polio Day. We have made tremendous progress since the Global Polio Eradication Initiative was launched:

- A 99.9% reduction in cases of illness caused by wild poliovirus
- 3 billion children immunized
- 125 countries where polio was endemic reduced to two — Afghanistan and Pakistan — with the virus contained in just a few districts and provinces

But even just one case still represents one child's life forever changed by polio. That's why Rotary members must remain tenacious and keep our promise: We won't stop until we know that no child will ever again experience the paralyzing effects of polio.

To donate, visit www.endpolio.org/donate

A special shout out to these Charter Members of the **Polio Plus Society**:

Roland Blahnik
David Burkholder
Rick Harned
Mike Kull
Amy Luttrell
Woody Northup
Kevin Wardell

This is a new program to recognize gifts and pledges to support Polio Plus at a minimum of \$100 per year. Those who make this pledge to join the PolioPlus Society will receive a special membership lapel pin. Contributions also qualify for Paul Harris Fellows Recognition Points credit and will be matched 2 to 1 by the Bill and Melinda Gates Foundation. Click [HERE](#) if you are interested in becoming a member of the Polio Plus Society.

Through our alignment with Louisville City FC, Lynn Family Stadium was bathed in purple from 9pm until midnight last October 24th to mark World Polio Day, and we expect that to happen again this year. Why purple? It comes from the purple dot painted on the fingers of children who have received the potentially life-saving polio vaccination. It's a growing trend for iconic buildings to be illuminated in purple to recognize the work of Rotary International and partners in the fight for a polio-free world. As

long as polio exists anywhere, it is a risk to children everywhere...it is only a plane ride away. Save the date and if you are in the area that evening, take a photo of the stadium lit up and help us spread awareness about Rotary's impact.

We will have a table at the October 7th LouCity FC game to share the news about Rotary's work in eradicating polio and to promote World Polio Day. Thanks to **Matt Riggle**, VP, Louisville Paving & Construction Co, for representing Rotary last October!

Rotary Day at Bernheim: October 14th

By Tom Bohnert

Rotary Day at Bernheim Arboretum and Research Forest is scheduled for Saturday, October 14, from 11:00am – 2:00pm. Rotary members and their families are welcome to come out early or stay later to play, hike, fish, or just sit quietly in nature's beauty.

We will gather at the Education Center Gallery for orientation, as a site to start optional tours and to eat lunch.

Cost is \$15 per carload at the gate. Boxed lunches with a sandwich, chips and a cookie are available for purchase.

RSVP HERE: <https://www.surveymonkey.com/r/RCLBernheim2023>

Rotarian **Dr. Mark Wourms** will present a summary of Bernheim activities during lunch. We may also be able to interact with one of Bernheim's Artists in Residence over lunch or in the field.

Bernheim will have a solar-powered cart that seats 5 guests, and a 10 passenger van as a back-up for another touring option, particularly for those who are mobility challenged.

Optional Tours Include:

- Walking tour to see Forest Giants in a Giant Forest (45-60 minutes)
- Walking tour of the platinum LEED Visitor Center, Edible Garden, and Playcosystem* (30 minutes)
- Driving tour of Bernheim's Art in Nature (30 minutes)

*Note the Playcosystem – an outdoor, natural play environment can be a multiple-hour destination for children on its own. Additionally, any of the above can be cart, van, or driving tours with minor modifications.

Most importantly, Bernheim provides something for every Rotarian and family member on their own or with Rotarian friends.
