Stocking Stuffing with Howard B. Stroud Students

Remember - Meeting will be held at 155 Barber St.

Howard B. Stroud students will visit with Classic City Rotary Club as we prepare Holiday stockings for the Denney Tower community. Denney Tower is managed by the Athens Housing Authority and is a high-rise building for the elderly and disabled on limited incomes. Member Beverly Harper has spearheaded this event for several years at her former school - J.J. Harris - and carried this holiday tradition to her new school. Beverly has always told the students that no matter who you are or what you have, there is always a way to give back. Join in on the assembly line to stuff 115 stockings! (Need a few people who can stuff their cars with stockings and take to Denney Tower right after the meeting to drop them off. You won't have to stay, just help get them in the building.)

In addition, at this meeting, the Board will present the 2024-25 financial report for review and answer questions.

Meeting Volunteers

What makes a great Rotary Club meeting? Our members, of course. We need your assistance to keep that good vibe going. During the next quarter, we need volunteers to act as the greeter; provide us with an inspirational moment and lead us in the pledge; and, recite the 4-Way Test. Please let Chris Bowen know when you can assist at upcoming meetings.
