GOOD***

Rotary 

Reminder: This 2025-2026 Rotary year begins with a slightly new meeting format:

For various reasons, including membership retention and recruitment, our Club lunch meetings will now be conducted during a one-hour period. Lunch begins at 12:30 and the formal part of our meeting will commence at 12:45 with the Pledge of Allegiance, invocation, 4-Way test, guests welcome, and brief announcements. Speaker program and club business/activities will conclude at 1:30. Speaker, members, and guests are welcome to stay informally until 2:00 p.m. for additional Q&A, photos, committee meetings, and fellowship as desired. Also, feel welcome to arrive early for more fellowship. Food service may often be ready by 12:15 as well. Your patience and flexibility are requested as we try something a little new. Thanks for your help, see you today!
