Last week, 5/13/2025, we were delighted to hear from College of Coastal Georgia's new President, Dr. Johnny L. Evans. Named by the Board of Regents of the University System of Georgia (USG) earlier this year, Dr. Evans is leading exciting things happening on campus. Sharing the spirit "College is Better at the Beach", he gave us a glimpse into how prospective, current, and former students experience the college. Notable highlights from Dr. Evans' updates included the nursing center expansion and the soon to be completed Center for the Arts. To learn more, visit www.ccg.edu.
