Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

**Will it build GOODWILL & better
FRIENDSHIPS?**

**Will it be BENEFICIAL to all
concerned?**

Andrew Burroughs is the Executive Director for the Brunswick-Glynn Joint Water & Sewer Commission, a role he has held since 2019. In his role at JWSC, he has focused on increasing system reinvestment, improving emergency response, and utilizing data to drive decision making. He has a B.S. in Chemical Engineering from the University of Alabama, a MBA from Washington State University and is a registered Professional Engineer in the states of Georgia and Alabama. Outside of work, he is a member of Golden Isles Presbyterian Church, enjoys spending time with his wife and two children, woodworking, cooking, and Alabama sports.

We enjoyed Dr. Rick Townsend sharing a 2025 legislative update. We appreciate being kept well-informed.
