Meet the Pros

A word from your President, Debbie Britt, about slightly new 2025-2026 meeting format:

For various reasons, including membership retention and recruitment, our Club lunch meetings will be conducted during a one-hour period. Lunch begins at 12:30 and President will start the formal part of the meeting with the Pledge of Allegiance, prayer, 4-Way test, guests welcome, and brief announcements at 12:45. Speaker program and club business/activities will conclude at 1:30. Speaker, members, and guests are welcome to stay informally until 2:00 p.m. for additional Q&A, photos, committee meetings, and fellowship as desired. Patience and flexibility are requested as we try something a little new. Thanks for your help, see you on July 8!
