District News

Hello, my Rotary family!

We are all visiting the clubs to listen to what you need. Our Assistant Governors have been visiting your clubs, as well as the Membership Team and the Foundation Team. And you know what they've been hearing quite frequently?

"Never have so many people from the District come to help us during a one-year period. We've already had more people here than usual." Exactly! We are here to help you!

Now, we are focused on the **Membership and Vibrant Club Summit**. This will be a historic milestone for your club and our district. Not only for the opportunity to learn more but especially for the networking among members from across the district!

Based on the DACdb reports, our district is growing. So far, we've attracted 48 members, which is fantastic! Just consider that in the year 2022/2023, we attracted 191 members. This shows that the clubs, led by their presidents, have returned to asking the key question: **"Would you like to join us?"** We are once again eager to add new members! Congratulations to the Membership Team for being available to help our clubs grow.

But the truth is that we've lost 30 members. We have a positive balance of 18 members. In the last year, our net growth was -2 members. Our next step is to retain the members in the club. Each one keeps one! Why are we losing members? What are we doing or not doing?

There are three factors that have made Rotary grow worldwide:

- 1 - Attract new members - We've been doing that very well.
- 2 - Engage current members - We need to stop losing members.
- 3 - **CREATE NEW CLUBS** - our next challenge!

Let's focus on that! Let's aim to increase the number of clubs. Companion/Satellite Clubs have proven to be the greatest allies for clubs to grow worldwide. Let's invest heavily in that.

Let's share our passion for Rotary, and together, let's **CREATE HOPE in the WORLD**.

See you soon!

Membership News:

We are growing!!! Let's celebrate the Top 3 Clubs for August for bringing in new members.

Fort Pierce (4 new members)
Royal Palm Beach (3)
North Brevard (3)
Palm Beach (3)
Indialantic (2)
Lake Worth (2)
Boca Raton Downtown (2)

Top clubs year to date are:

Fort Pierce (10)
Boca Raton Downtown (5)

Membership Action Plan (MAP):

The MAP Informational Webinars can help your Club Membership Chairs create a team, make a plan, and grow your club! This webinar is exploring how to move your club into IRRESISTIBLE!

It is not exclusive to the Membership Committee. Invite your club members to

join the webinar to make them become motivated to share their passion and let's grow Rotary!!

Use this link to register:

<https://Registrations.DACdb.com/Register/index.cfm?EventID=77694501&NoCaptcha>

2022-23 Membership Action Plan (MAP)

Congratulations! These clubs not only grew—they also took the time to learn how to be even better in the future!

Just over a year ago our paired Zones 33 and 34 launched an innovative Membership Action Plan. The Plan was focused on helping clubs and districts learn proven ways to grow, provide better experiences for members, and increase their impact. We also set up an awards program that would reward clubs and districts that participated and grew.

During the 2022-23 Rotary year, we held monthly MAP webinars for clubs and gave them new tools such as the innovative Membership Success Center giving you membership tracking and growth tools at your fingertips,

Certificates were given to the clubs that participated at a significant level in MAP and grew. The following clubs reached the highest standards in the program:

Take Action for Peace: Join the Peace Pole Project Today!

Here's your chance to make a real impact on our world. Join us in the Rotary District 6930 Peace Pole Project and be part of a movement that spreads peace, unity, and understanding.

Your Club's Leadership

We invite your Rotary Club to lead the way in this meaningful initiative. We've secured grants to support your efforts, and they're available on a "first come, first served" basis. Don't miss this opportunity to create a lasting legacy of peace in your community.

A Symbol of Hope

Imagine the profound impact a Peace Pole can have in your neighborhood. These

symbols of peace convey a universal message and serve as constant reminders of our commitment to a more harmonious world.

Collaborate for a Greater Impact

Working with schools, city authorities, and other organizations allows you to strategically position these Peace Poles for maximum impact. Engage with local stakeholders to make these monuments to peace truly transformative.

Save the Date

Plan to be part of a historic moment in January 2024 when all eight Peace Poles will be dedicated during the visit of RIP Gordon McNally.

Get Started Now

Reach out directly to DG Douglas Heizer or DG Aide Nick Bassiaga and let's make a difference together. Join us in the Peace Pole Project and help us create a world where "May Peace Prevail on Earth" is more than just a message; it's a reality we all share.

Your action today can shape a more peaceful tomorrow. Together, let's make it happen!

Together We Help!

Our two Disaster Aid Trailers were deployed on September 2nd to Mayo, FL to support D6950 and DG Chris Casella's recovery efforts.

A couple of days ago, Todd Darress from the Rotary Club Vero Beach Sunrise arranged a workday to refurbish the two District 6930 trailers that serve Disaster Aid USA. This was just in time to be deployed.

Some of our Rotary family members who helped with this were Clare Meshot, Stephen Kepley, Arthur Hodge, Gail Marcia DeRoy, Robert Hildreth, Justin Lefebure and his family, Pam O'Donnell & Gene, and

Bill Edelstein worked to get them ready.

PDG Arthur Hodge is now asking for volunteers to go to Mayo this Wednesday, September 6th. They will work under the direction of Disaster Aid USA. If you feel you might be in a position to render aid, PLEASE contact PDG Arthur Hodge at 772-643-6343.

If you wish to donate, there are a number of options. Each Rotary District involved has a charitable foundation, and the links are:

District 6940 – <https://www.rotary6940.org/> Big Bend, Panhandle and areas from Tallahassee west - <https://rotaryfl.org/rotary-district-6990-florida-disaster-relief/> Donate [HERE](#).

District 6950 - <https://www.rotary6950.org/> – Pinellas, Hernando, Citrus and Pasco Counties <https://rotaryfl.org/rotary-district-6950-florida-disaster-relief/>

Disaster Aid USA – <https://disasteraidusa.org/> - providing recovery services in the impacted areas - Donate [HERE](#)

DO NOT SEND Clothing!

If you have any questions, you can contact me or any one of the following Disaster Response Committee chairs: PDG Phil Lustig at 561-212-6554, PDG Arthur Hodge at 772-643-6343, and Marcin Kubiak at 651-434-1904.

I also want to remind you to complete the following form: <https://forms.gle/RjrpoLEBE4inmiKL7>
This is very important for all of us. This database will help us be ready when the time comes.

Let's keep our work to CREATE HOPE in the WORLD.

What's next?

Membership & Innovative Club Seminar

Register now on DACdb for the upcoming Membership and Innovative Club Seminar on October 14 at Keiser University, Port St. Lucie.

World Polio Day Dinner

Register now : <https://rotarypoliodaydinner.org/>

Rotary Leadership Institute (RLI)

RLI provides an up-to-date, practical, and user-friendly educational opportunity for all Rotarians. Courses are given to foster leadership skills and

Rotary awareness while encouraging the participants to be enthusiastic, creative, and dedicated Rotarians and community leaders. Parts 1, 2, and 3 plus a facilitation techniques grad course will be offered.

Registration includes breakfast and lunch

Register today on DACdb and remember, RLI builds better Rotarians and community leaders...one session at a time. Here's the link: <https://bit.ly/3OXCbqY>

Rotary Foundation & Gala Luncheon

Our Rotary International President Gordon McNally will be with us on the weekend of January 14, 2024. The event chair, Nick Bassaga, will soon have the registration for this event available. Save the date!

District Conference

Our District Conference Chair Eric Gordon will have the registration available soon.

Save the dates - June 6-9, 2024!

Foundation News

The Rotary Foundation: Why I Give

By Sandie Yeater

Jupiter - Tequesta and 6930 TRF Committee

sanyeater@gmail.com

I am proud to be a Rotarian, a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change.

As District Grant Chair in Buffalo, NY, and in the same District role in Florida, I have seen closeup Rotarians solving real problems with their passion, energy, and intelligence to take action on sustainable projects.

The Rotary Club of Buffalo, along with several other area Clubs, supported a St. Catherine's Canada, Rotarian in applying year after year for a Global grant for wells and sanitation in Haiti. The Buffalo Club participated in a Global Grant to purchase a CT scanner for a Cancer Hospital in India. A nearby Club used a District grant to purchase bicycle lights for local winery workers, so they could ride home safely after work. The Buffalo Club enabled a local literacy group to participate in Dolly Parton's Imagination Library, delivering a book each month to households with children, newborn to age five. I have participated in *Read Across America* and delivered Dictionaries to third graders, purchased through District grants. The Buffalo Club sponsored two Youth Exchange students each year and even sponsored a Peace Scholar at a local University. As a Rotarian and District Grant Chair, I love seeing the different ways Clubs address the needs of their communities.

The Rotary Foundation transforms my gifts through Global and District grants into service projects that change lives both close to home and around the world. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. Rotary International currently has six funds to choose from: Annual Fund – SHARE, Polio Plus Fund,

World Fund (permanent endowment), Disaster Response Fund, Pakistan Flood Response Fund, and the Ukraine Response Fund. Go to www.myrotary.org or send a donation through your Club.

SAVE THE DATE: November is Rotary Foundation Month. On November 18, our District will hold a Foundation Seminar. Not every Club in District 6930 currently contributes to The Rotary Foundation. Not every Club in District 6930 applied for a District grant last year. Learn more about The Rotary Foundation and how, with The Foundation, we can "Create Hope in the World".

With Rotary Fellowship,
Sandra Hemstead

The Rotary Foundation
Regional Rotary Foundation Coordinator, Zone 34 (22/25)
Rotary Club of Bonita Beach Sunset, Treasurer
Past District Governor, 6960 (18/19)
Phone: 239-961-2130 (cell)
Email: sandrahamstead@gmail.com

Districts with over \$190 per Capita Giving to the Annual Fund

#31 District 6940- \$268
#39 District 6960- \$258
50+ District 6970- \$212
50+ District 6910- \$199
50+ District 6990- \$198
50+ District 6930- \$191

I want to thank you for your hard work during the 2022-2023 Rotary year. Thank you for promoting The Rotary Foundation and for making your personal gifts. I'm very proud of Zone 34 and our great results this past year! Together we are making a difference in the world!

Top Three Clubs Giving to The Rotary Foundation for July

Congratulations to Titusville Sunrise, Singer Island and Pam Beach.

2023-2024 Grants Approved By Sandra Yeater

District grants have been approved for the 2023-2024 fiscal year. Congratulations to the 25 Clubs who received 46 District grants worth \$55,478. Clubs can now start their projects and Create Hope in the World. This year's projects address literacy, hunger, child safety and drowning prevention, career development, environment, and safe water. Please check DACdb to confirm your award amount.

Clubs have until April 30, 2024 to complete their projects but may submit final reports as soon as the project is finished. We plan to issue checks during the year as projects are completed. Thanks for doing good in your communities and abroad.

Suntree Club's Global Grant Update:

Work continues on the Global Grant that RI approved for work on clean water and hygiene in Cane and Guachilipin, Honduras. To date, we've begun delivering water filters, erecting latrines and building pillars (water storage tanks) for the residents of the small mountain village of Guachilipin. In a neighborhood of Cane, the first well was recently dug and pump motor installed. The second well should be completed by the end of the year. One of our club members, Woody McDaniel, was on hand to view these activities. Another group of club members anticipates going to Honduras in January to celebrate the completion of the global grant projects... stay tuned!

Okeechobee Club Awards 13 Paul Harris Fellow pins:

Submitted by Toni Wiersma

On August 8, 2023, the Rotary Club of Okeechobee had a grand celebration. During the meeting 13 Rotarians received their Paul Harris pins. In attendance at this special meeting were District Governor Doug Heizer and his wife Dini and Assistant Governor Yvette Rochefort-Batavia. They also celebrated Donna Gaiser's 75th birthday.

The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have had contributions made in their name, of \$1,000 to The Rotary Foundation. The Rotary Foundation helps Rotary members advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects.

Receiving their first pins for at least \$1000 contribution were: Melisa Jahner, Helen Wiersma-Koch, Dawn Hoover, Micki Bandi, Reiny Reinhart, and Toni Wiersma. Receiving their plus one pins for contributing an additional \$1,000 over the years were: Carl Gaiser, Kristy Crawford, Amy Daniels and David Cook. Receiving their plus two pins for contributing at least 3000 over the years were Jim McInnes and Dr. Trini Garcia. Receiving her plus three pin was Donna Gaiser.

The Rotary Club of Okeechobee is proud to support the Rotary Foundation for all the support and help that the Foundation gives to life-changing projects including almost eradication of polio worldwide, helping natural disaster victims, providing clean water, promoting literacy, promoting maternal and child wellness and many other projects.

Paul Harris Fellows that attended the meeting were (left to right): Kristy Crawford, Amy Daniels, Toni Wiersma, District Governor Doug Heizer, Donna Gaiser and Melisa Jahner.

to right) AG Vanessa Rochefort-Batavia, AG Toni Wiersma, Club President Jacqueline Claxton, Dini Heizer, Governor Doug Heizer and Past District Governor Donna Gaiser.

World Polio Day is October 24 - Begin Planning Now
by JoAnn Meaker, D6930 PolioPlus Chair

One day... one focus ... ending polio. Those are the words from www.endpolio.org website. We Rotarians need to continue to be diligent in maintaining focus on eradicating polio around the world. To date there are only SEVEN cases, two in Pakistan and five in Afghanistan! One way to continue to fight is to raise awareness and money so those children who have not yet been vaccinated can have those two important drops.

World Polio Day, October 24th, is a time for Rotary members, public health advocates, and all who want a world free from polio to come together, recognize our progress in the fight to end polio, and talk about the actions we need to take in order to end polio for good.

There are many ideas on the website to help you get started with your planning [HERE](#). The Resource Center has ready-made materials for you to use [HERE](#). When you come up with an idea, as a club you can register your club's activity [HERE](#)

Did you ever want to be a videographer?
Submitted by Carol Woodward, D7600

Now is your chance. Your club's World Polio Day (October 24) event and your club's district grant project are perfect opportunities to capture the good works of your club and share that generous spirit with your community.

Assign one or more club members to video these amazing events with a smartphone. Everyone has one. Think through what you think would be engaging and fun. The videos don't have to be just a documentary of your event or project.

After capturing some video, take the next step and edit using the editing app that is part of your phone. You can use the built-in editing feature or download a free app from the app store.

The next step is to upload and share. Most clubs have a Facebook page, and many have a YouTube channel. The super thing is that the videos can then be shared by your members to their own social media networks.

Some suggestions to help develop those videography skills.

Attending the celebration were (left

OUR UPDATES & ACTIVITIES

THIS IS COOL!!!! MAKEPOLIOHISTORY.ORG

Do you want to make polio history? Here's how:

Record a 30-second video of yourself using the highlighted script below.
 Please film your video horizontally with clear lighting and sound. Use
 any background – from your home, an office, or even outdoors!

Rotary #RotaryShares #RotaryZones3334 #ElevateRotary

Zones 33/34

1. Make a plan. What do you want to share? What is the purpose of your video? Who is the audience?
2. Choose a location that is relevant to your topic/purpose and one that will provide good light and minimal sound interference
3. Use natural light if you can. If indoors choose a bright space with windows,
4. Use a selfie-stick or tripod to help keep your video steady.
5. Shoot in landscape mode.
6. Keep the video short. 1-3 minutes are perfect for uploading, but too large for email.

Club News

Lake Worth Club:

By Patrick Growney

Photo by Phil Albertz

Alessandro Perez, who will be leaving for South Korea on Aug. 31 on a Rotary Youth Exchange, delivered his speech in Korean, which he will be using throughout his exchange when addressing Rotary clubs visit throughout the coming year.

Pictured are L-R: Pat Growney, Alessandro Perez and President Dermot Mac Mahon

Club:

Submitted by Bob Viscanti

District Literacy Chair Bob Viscanti delivered a carload of books to Derek Gerry of Sebastian Rotary in support of National Literacy Month in September. Sebastian Rotary will put the books to use in September in furtherance of their Little Free Libraries Literacy Project.

Sebastian

Suntree Club:

Submitted by Woody McDaniel

Four times a year our club walks along a stretch of Wickham Road in Suntree picking up trash as part of the Keep Brevard Beautiful program. Recently eight volunteers picked up a total of 35 pounds of trash. Our friendly competition pits one crew against the other seeing which crew picks up the most. This time the team of Annette & Leslie collected 25 lbs of trash from the "short, easy" route.

This is such a great way to learn about fellow Rotarians and their life history! Come and pair up for a short walk and share time. The breakfast social after the job is done is always fun too.

Suntree Rotary's 18th Great Tastes at Suntree fundraiser will be held on October 14, 2023 from 5:30 - 8:30pm at the Suntree Country Club

Enjoy great food from local restaurants, live music and raffles.

For tickets go to www.suntreerotary.org.

Boca Raton Sunrise: from Facebook

The **Rotary Club of Boca Raton Sunrise Foundation**, in partnership with

the **Fuller Center**, is hosting its 36th Annual Golf Tournament at the beautiful Boca Lago Golf and Country Club.

Proceeds from the golf tournament will benefit the Fuller Center and the Rotary Club of Boca Raton Sunrise Foundation. For details go [HERE](#).

West Palm Beach Rotary Club from Facebook

The club started off the year with their

first back to school supplies for Children Home Society. Thanks to Yvette Rochefort for organizing this event.

Many thanks to the Education Foundation for the support.

Multi-club Social From Facebook

You know it's going to be a party when you bring together members from Rockledge, Cocoa and Merritt Island Rotary clubs.

We had a great time during our recent social event catching up with our current friends and making new ones. Rotary friendships last a lifetime.

Delray Beach Club:
from Facebook

Congratulations to fellow Rotarian and Assistant Chief of Police Darrell

Hunter. He was honored by Legacy Magazine their 17th annual gala and banquet as this year's 50 Most Influential and Powerful Black Professionals in South Florida.

Rockledge Club:
From Facebook

Join us for a spooktacular time at the Rockledge

Rotary Foundation's Charitable Golf Tournament on Saturday, October 14th at Turtle Creek Golf Course. Swing into action while supporting local charities! Enjoy a day of golf, scary fun, and making a positive impact in our community.

Don't miss out—register today for a hauntingly good time! Tee off at 8 am with check-in beginning at 7 am.

Proceeds benefit Space Coast Honor Flight and Rockledge Raider Alumni Association.

Cocoa Club:
From Facebook

The Cocoa Club is always serving and bringing joy to the community! At a recent club meeting they packed birthday boxes for clients of Aging Matters.

Indialantic Club:
Submitted by Gerard Zach

Club members remain active in our community. A group of Rotarians sang patriotic songs and provided snacks on July 4 for residents at Brookshire Assisted Living Facility. We also continued to provide monthly meals at the Veterans Transitional Facility. Acquired \$800 worth of school supplies for Indialantic Schools as part of the Indialantic Police "Stuff a Cruiser" project.

Several members recently participated in our first Eau Gallie Causeway cleanup with over 300 pounds of trash collected. We recently received approval to "adopt" a portion of Eau Gallie Causeway. Signs have been erected to denote our involvement in keeping this area free from litter.

The Club recently committed: \$500 to Neighbor Up Brevard an upcoming fundraiser; \$250 to sponsor a Marine Resources Council Cleanup in September; \$100 to sponsor a hole at the Ways for Life Golf Tournament; \$500 for the purchase of 250 US Constitution booklets in support of our annual Essay Contest.

We've been approved by Satellite Beach to install seventeen DrownZero stations at beach access points. These stations provide a potentially lifesaving floatation device to be used in emergencies.

The Club announced that it will be forming an Interact Club with Holy Trinity Episcopal Academy High School. Interact clubs bring together young people, ages 12-18, to help develop leadership skills while discovering the power of Service Above Self.

Downtown Boca Raton Club: Submitted by Kim Champion

The Rotary Club of Downtown Boca Raton engaged its newest members in our New Member Orientation in August. We were blessed to induct six new members.

potluck dinner, adult beverages, and lots of enlightened Rotary conversation!

Our newest members are Maria Ciuca, Patricia Duch, Blanca Frelander, Phil Lauria, Elaine Tai Lauria, and Stephen Glick.

Vero Beach Club: Submitted by Jason Conklin

Our club is proud to report the following and we continue to promote the Kids Triathlon event coming up this December 2nd. We now have 32 sponsors and are still growing, mainly due to companies wanting to support youth and the significant amount of interest in such a short period of time. We have generated sufficient funds that have been raised to cover all costs and so 100% of every new sponsorship dollar will be going back into the community to serve youth in need. There are 90 kids already committed well before even advertising in elementary/middle schools or any retail outlets. We are starting our Step #2

We welcomed them with a home style

marketing program this Saturday, August 26 where we will be presenting our Rotary Kids Triathlon at the Indian River County Youth Sports Expo and the IRC Fairgrounds (see other picture attached).

The Indian River Clubs Fundraiser...

T

he five clubs are hosting their 14th annual

calendar, which will be available for purchase by Thanksgiving (a great Christmas gift!). All proceeds from calendar sales will be used for Interact and Rotary service projects for school and our local community. Contact Ellen Cruse at ellencruse@comcast.net to preorder Create Hope in the World calendars, \$12 each or 2 for \$20. For details go [HERE](#).

AND...

Rotarians involved with Interact Clubs in public schools should be aware of State Rule 61-10.089, effective August 22, 2023, which requires individuals leading any extracurricular activity to have parental permission prior to commencing the event. The permission form must document details like the date(s) and time(s) of each event or activity, specific location and types of sponsors/guests at each activity or event, and method of supervision provided. Different schools may have different policies for implementing this law, but anticipate some delays in getting approval to meet.

Jupiter-Tequesta Club:

KIDS TRIATHLON

Rotary Club of
Vero Beach

Saturday, Dec 2, 2023

Oktoberfest on October 7, 2023 from 5 to 7 pm at the Vero Beach Community Center.

Tickets are \$30 ahead of September 27, and \$40 at the door.

Cocoa Beach Club: By Kimberly Demoret

The Rotary Club of Cocoa Beach is working with the Interact club at Cocoa Beach Jr/Sr High School on a calendar art contest based on this year's RI theme, "Create Hope in the World". Winning entries will be used in a club

From Facebook

Mark your calendars for our upcoming sunset beach cleanup partnered with Friends of Jupiter Beach. Come on out and meet some new friends while helping to keep our beaches safe for our families and ocean life. If you have any interested teens who need community service hours, have them bring their form! We'll catch you on the beach!

Eco-Friendly Club:

Submitted by Suzie DeBusk

The Eco-Friendly Rotary Club, which meets every Tuesday at 12:00 Noon EST via Zoom, has a focus on environmental issues and climate change. The club has a number of initiatives, one of which is **Treekly**, a smart phone app. The concept is to turn your daily steps into planted trees by funding reforestation projects worldwide. You simply download the app, then register on **Treekly** and sync your smart device or wearable, such as your Apple Watch or Fitbit, to complete steps challenges and earn trees in your virtual forest. You plant a tree for every 5,000 steps you walk weekly.

Treekly works closely with their trusted tree-planting partner, Eden Reforestation Projects, which plants mangrove trees in areas such as Haiti, Kenya, Mozambique, Madagascar, Indonesia, and Brazil. Mangrove trees have been continually recognized as a key player in the fight against climate change and are 3-4 times more effective at absorbing carbon than terrestrial rainforests. Mangroves have many other benefits to their surrounding ecosystems too. Their unique root systems provide sanctuary to a wide variety of fish in addition to filtering pollutants and impurities out of waterways, promoting healthy fisheries.

Check it out and do your own small part to combat climate change! www.treekly.org
